On behalf of all the staff and students, we would like to welcome you and your child to Flemington Primary School.

In order to assist with a smooth and happy start to Primary School life, your child is invited to attend a series of 3 Transition sessions. During these sessions, the children will have the opportunity to spend some time with current Prep teachers and other 2014 Prep children. Parents are also invited to an information session to be held in the Flexible Learning Space. These sessions are designed to give you an insight into what to expect from your child’s first year of schooling, as well as more information about what Flemington Primary School has to offer. If for any reason you or your child are unable to attend any of these sessions it would be appreciated if you contact the school prior, to advise this.

Should you no longer need your prep placement please contact the office so that your documents can be returned.

Activities in Prep rooms  
Activities in specialist teachers  
Parents  
An opportunity for parents to meet informally to get to know one another. Tea and coffee will be provided by the school. Current Prep parents are available to discuss with the Principal and Assistant Principal your child’s transition into school and what to expect. This is also a time for us to answer any questions you may have regarding your child’s commencement of school in 2014.  |

As icy-poles will be given to children during the second session please inform the school if your child has any food allergies or special dietary requirements prior to this session.

These transition sessions are most beneficial to both you and your child. Attendance at these sessions is strongly recommended so as to assist with a smooth and happy transition from Kindergarten to Primary School.

We look forward to seeing you there!

Lesley McCarthy
