Congratulations to all members of the FPS Swimming Team who contributed to bringing the shield back home for the 4th year in a row!

The following students will now compete in the Western Region carnival:

Thank you to the following parents who have nominated for School Council:
Robbie Allen, David Amor, Daniel Day, Jutta Dreier, Justin Lucas, Marina Sliflski and Philip Smith. Their information (photo and bio) are shown on page 3. The draw for positions on the ballot paper was conducted by parents Shelley Cullen and Nujum Abdala in my presence. Voting closes at 4.00pm Wednesday 22nd March.

Parents of children in Grades 5 & 6 should be thinking about secondary school options seriously now. Many schools are already planning their Open Days and for School Tours. If you are considering a scholarship exam, these should be booked soon if you have not already done so. It is important that you visit each school you are considering and ‘get the feel’. Documentation for Grade 6 students will be distributed in Term 2.

Look out for the Premiers Reading Challenge consent forms and the HUB Easter Raffle tickets which will come home this week.

We apologise for an error last week - 34M Pupil of the Week was noted as Lucas B instead of Boyd L for striving for accuracy during maths session and ordering numbers in 1000’s.

Office News
Office Hours, 8.30am – 4.00pm Monday to Friday
Due to a reduction in admin staff hours, there will not be anyone to respond to telephone calls or window enquiries between 9.30-11.00 daily.

Payments
When making payments at the office, please complete the details on a payment envelope and place in the cash box. Please make sure you include your child’s name, grade and the reason for the payment.

Visitors Badges
All visitors, including parents, need to pick up and wear a badge when visiting the school at any time. If parents are helping in classrooms or attending meetings please call at the Office first.

Working With Children Check
Parents and family are reminded that to help in the classroom, on excursions, camps and at swimming you must hold a valid Working With Children Check. These are available at the Post Office and are free for volunteers.

Scholastic Book Club
Issue 2 order forms that were sent home recently are due back to the office by Wednesday 13th March by 9.00am
No late orders will be accepted

Please note, that orders sent before this date will now be sent to Scholastic as received (except cash which will be processed on the final day). The office will now process orders a couple times a week (for credit and cheque payments only) so the earlier the order, the earlier the children will get their book.

Flemington Auskick 2013
Daniel Sundborn will be the new coordinator for season 2013
Register your details online NOW! at www.aflauskick.com.au
$70 gets you a backpack full of fun stuff plus more! Girls welcome.
Start date Saturday 20th April, 9.00am at FPS oval. Hope to see you there!
School Council Elections

Robbie Allen
In the last 5 years I have witnessed FPS transformed from a good school to a great school. This transformation has in large part been the result of the collaborative approach and hard work of the school administration and school council. I would like to assist in the continued development of the school as a member of school council.

Apart from observing my children flourish in the FPS environment I’ve had the great pleasure of being a member of the music committee for a number of years.

If elected I would like the council to:
- Encourage funding on the general play areas and in particular look at having the asphalt resurfaced;
- Seek input from the school community about what can be done to enhance the area of land on the western perimeter of the oval near the main gates;
- Ensure that all kids and parents have the opportunity to be and feel part of the school community;
- Continue to explore ways the school can develop a relationship with Mt Alexander College;
- Work with Lesley to ensure that FPS is properly funded which may mean Mr Z does not get a cyclotron for the science wing. Thank you for considering my nomination.

David Amor
I am David Amor, father of Olivia (Grade 3), Maia (Grade 5) and Sophie (graduated from FPS in 2012).

I am actively engaged in the FPS community, for the last seven years as a parent, and for the last two years as a member of School Council. During my time on School Council I have valued the opportunity to work with other parents and teachers to make a meaningful contribution to providing the best possible learning environment for all children at FPS.

I am standing for re-election because I have a strong desire to continue this work, and a wish to build on the experience I have gained at School Council over the last two years.

Outside of FPS, for the last 20 years I have worked in medicine and medical research in the public and not-for-profit sectors, and am currently employed as Director of the Victorian Clinical Genetics Service. In addition to my background in child health, I have experience in the fields of leadership, organisational management, strategic problem solving, committee process and communication, and believe I can make positive contributions in these areas.

Thank you for considering my candidacy.

Daniel Day
I completed a Bachelor of Science and Doctorate before starting a 12 year career as a research scientist developing devices and instruments for use in cancer research, nanotechnology and the next generation of solar cells. During that period I also established three high-tech start-up companies that created real-world innovative technologies and, as Deputy Director, contributed to the governance and management of an internationally recognised research centre. In addition to conducting research and mentoring young researchers, I served on the Academic Board of Swinburne University of Technology to oversee the development and accreditation of courses across the University. I have a keen interest in the education of our children with an understandable bias towards the maths and sciences.

Since moving to Flemington 3 years ago, our family has been impressed by the diversity and inclusiveness of the local community. With my wife and I now working from home, and also running a local business, we hope to extend on this experience and be involved in the community as much as we can. Our son Max started prep at FPS this year and I look forward to the opportunity to contribute to the future of the school.

Justin Lucas
Monique and I have Boyd (G3), Oliver (G2) and James (prep 2014). They are my reason for nominating for election.

Like all parents, I want the best for them. I believe I can usefully contribute to the fantastic FPS story.

I have been a partner in global law firm, Norton Rose, for 12 years and practiced there for 20 years. In that time, the firm has gone from a local Melbourne business to a top 5 firm globally.

Over the years, I have sat on and chaired many committees and seen through a lot of change. I am well equipped to work in a committee environment. My approach is to listen more than I talk.

In my practice, I advise businesses and government on large real estate projects, particularly in the energy and infrastructure sectors. I have an understanding of the needs of business and government from this role. I also understand the challenge of managing large teams to deliver.

Having grown up in country Victoria and attended a local state school, I really appreciate the community spirit of FPS. I would like to see it flourish.
Jutta Dreier

I am Mother of Henry & Tim currently in grade 4 & 6. I have been at Flemington Primary School for the past 6 years and during my time here I have been involved with the HUB helping to organise various fundraisers as well as being on School Council for the past 2 years.

I am a strong believer in giving to the community and enjoy my roles both as Walking School Bus and Uniform Shop Coordinator. I would like to continue my work on School Council to help keep the dialogue open between school and the parent community.

Marina Slifirski

Expertise

Academic:
Bachelor of Education (Arts), Post Graduate Diploma (Special Needs), Masters of Educational Leadership, The University of Melbourne.

General

Creative thinker; I understand the demands of working in a complex school environment; some experience in project management; have been on many committees and working groups in the past.

Reasons for nominating:

I am passionate about the delivery of quality education and this has only been reinforced by having my own children. I am presently interested in how innovative landscape architecture and building design can improve learning experiences for children and foster creative thinking. I’d like to see the creation of outdoor learning spaces, shelters with quality seating and dramatically increased planting.

I’d like to fundraise for the construction of a pavilion on the oval close to Mt. Alexander Rd. This could contain a small staff office so we have teacher presence at both ends of the school as well as a flexible space to be used by students and staff for functions, creative learning or play.

If I am nominated I intend to visit lots of primary schools so I can photograph their grounds. This anthology will provide a useful starting point for how we might like to alter and improve our outdoor spaces. Finally I think it’s important for the school council to support the principal in her work.

Philip Smith

I’m dad of Andrew Smith in 3/4L. I have been an active Hub member since 2010, contributing to school activities, fundraising BBQ’s, music concerts and parents choir. I would like to contribute further to the school community and work toward balanced and durable outcomes for the entire school family; the students, teachers and Parents/Guardians. I am a member of the Flemington Association and have lived in the neighbourhood for 12 years.

At council I hope to bring a fresh approach to the school administration through my communication abilities and experience in running my own photography business.

Student Leaders Conference

Last Friday we went to the Student Leaders Conference. There were people talking about leadership and its value. They were all leaders in their own way. My favourite speaker was the surfing scientist Ruben Meerman. We had a really fun day and everyone enjoyed it.

By Nasreen Hussein

Last Friday a few SRC representatives went to the Student Leaders Conference. There were 5 speakers: Mike Martin, Creel Price, Dan Jackson, Sussan Thomas and Ruben Meerman. Our favourite speakers were Mike Martin and Ruben Meerman. The speakers talked about leadership. It was a big day and we played lots of games. We all got pins. We all had a great day.

By Mitchell McLaren and Aymane Abdou Said
Assistant Principal's Report

Sandra McOrist

Name It

As teachers and parents we deal with a range of issues daily that may cause children anxiety, from name calling to pushing and shoving, and these instances seem to be on the rise. As adults we are not always made aware of situations and this can lead to distress for the children. It is our aim to empower children with the confidence to stand up for themselves in a range of situations. ‘Naming It’ is an effective way of doing this. We encourage children to try ‘Naming It’ at home.

‘Naming It’ is part of our school anti-bullying program.

THINGS TO REMEMBER WHEN YOU

NAME IT

‘NAMING IT’ is about standing up for yourself in a SMART way

BREAK THE SILENCE

1. Tell the person to stop it, what they are doing and how you feel!

“Stop it, I don’t like it when you call me a dork, it hurts my feelings and it makes me feel sad.”

Use “I statements” like ‘I don’t like what you’re doing’.

GET SUPPORT - STAY CALM

2. If the person does it again, tell them to stop and tell them that you are going to NAME IT to a teacher or another adult.

DON'T GIVE UP - STAY CALM

3. “Name It” to the teacher or adult. Let them know that it is important and tell them what you have already tried.

DO NOT GIVE UP - KEEP NAMING IT

If you are not listened to find a trusted adult who will LISTEN to you.

If you are scared get an adult to support you and ‘NAME IT’ again.

Everyone is responsible for naming it.

Using violence won’t stop violence.

Keep NAMING IT until it stops!

EASTER RAFFLE

The Hub is running an Easter Raffle as our first fundraising event for the year. You can help us raise money for the school and you could win one of three fantastic hampers containing Easter eggs or gourmet food goods.

Many thanks to La Delicatezza and Woolworths for their kind donations. These are local businesses so make sure you let them know how much FPS appreciates their support when you’re next in their shops!

Raffle tickets have been sent home this week for you to buy or sell. They can also be purchased at the Office & the Canteen on icy pole days. The tickets are $2 each or 3 for $5. Tickets must be returned to the office by Friday 22nd March.

The raffle will be drawn at Assembly on Monday 25th March & winners will be notified by phone.

Thanks for your support!
PE News
Brendan Newman

District Interschool Swimming Carnival
For two consecutive Friday mornings our Flemington PS students attended the Travencore Swimming Pool for the Interschool Swimming trials and training. As per usual upon arrival we were greeted by a large group of students eager to engage in the session. It was motivating to watch the Flemington students train and perform at their best. Some of our athletes even went down to Queens Park during their spare time to practice their individual and/or relay events. Knowing the importance of practice and preparation the student were once again ready for the carnival. Coming back not only as the previous winner but as the three time defending champions there was another big task ahead of them.

Wow! What another amazing day for the swimmers! Of the 25 competing students the majority received a placing in their given event. It was a success ranging from the 9/10’s to the 12/13’s. It’s rare that you see so many smiling faces at the same time. To cut things short we successfully defended our title again winning the shield in the big schools and the overall results. As teachers and parents it’s not the winning that makes us proud, rather the hard work and commitment these students put in. Skills attributed not only to sport but everyday life.

I would like to thank Katia and Elise who selflessly offered their assistance during the trials and the carnival. Also huge thanks to the parents who offered an amazing amount of support during the carnival. As the Flemington community we have once again demonstrated a positive spirit. We now have a large number of students, 18 to be exact, moving to the division finals at Oak Park Swimming Pool on Tuesday 12th March. We wish them the best of luck!

Everyone swam to their very best ability and contributed to Flemington PS winning the shield for the 4th year running.

House Athletics Sports
On Thursday 28th March, the last day of Term one, children in grades 1-6 will participate in the school House Athletics sports. Children will compete in their House groups: Cashmere, Delhi, Mangalore and Mooltan and are encouraged to wear Tee shirts in House colours of Blue, Red, Green and Yellow.

House Captains and Student Leaders will assist with organisation, timing and scoring. Parents are encouraged to come along and assist or to encourage your children.

The sports will begin with an assembly in the amphi at 9.30am and finish with a presentation to the winning house at 1.00pm. School will then dismiss at 1.30pm.

Coles Sports for Schools
An update regarding Congratulations for such a fantastic effort collecting all of the vouchers! A lot of the ordered equipment will and already has been used to great effect in the PE program and will also be used in whole school activities such as the House Sports and Interschool Sports.

ART News
Karen Leopold
Artist in School Robert Davis will be starting his work with the Grade 3 & 4 students on 19th March.

We need around 130 biscuit or chocolate tins by that date – we currently have 12.

If you have any tins clogging your cupboards or can find some, we would happily take them off your hands. Thanks.

OSHC News
Camp Australia now manages the Before & After School Care program. All bookings, absences and payments need to be made through the Camp Australia website. Do not leave messages on the school answering machine.

In Touch Newsletter Emails
Every InTouch is available on the school website and an alert will be emailed to you advising when it is available. One week a hard copy is sent home with the youngest child and the other week it will only be on the website. A few hardcopies of the newsletter will be available from the office for you to collect.

If you have not already done so, you can be added to the email distribution list by either going directly to the school’s website www.flemingtonps.vic.edu.au and under the calendar on the right hand side is the subscribe to mailing list tab then follow the prompts to be added, or alternatively return this form to the office and we can add you on

Proof of benefits of reading to children

MELBOURNE researchers have proven what parents have intuitively known all along - the more often you read to your children from an early age, the greater the positive effect on their reading and thinking skills.

The Melbourne Institute of Applied Economic and Social Research has not only proven a causal effect between the frequency of reading to a child and his or her development, but have also for the first time measured the benefits.

Children four to five years old who are read to three to five times a week have the same reading ability as children six months older (who are read to only twice or less a week). Reading to children six to seven days a week puts them almost a year ahead of those who are not being read to. It was also found that reading to small children has a positive effect on the development of numeracy skills.

"It does appear to be the case that children who are read to more often keep doing better as they age than other children," said Professor Guyonne Kalb, director of the institute's Labour Economics and Social Policy Program, and co-author of the study.

The research - which was funded by the Department of Education and Early Childhood Development - found the positive outcomes occurred in children regardless of parental income, education level or cultural background. That is, children with poor backgrounds or parents of limited education or ability have the same benefit of being read to frequently.

"We wanted to try and determine whether reading itself is leading to better outcomes, or do parents who read to their children have other things going on," Professor Kalb said.

"We worked with children representing a whole range of families, from all different backgrounds and economic circumstances. We found it doesn't matter if a child is from a poor or rich family, or if the parents are highly educated or not, doing this basic thing of reading to them leads to better developmental outcomes."

The longitudinal study followed the reading skills of more than 4000 children, aged four to five years in 2004, through to age 10 to 11. Victorian Minister for Children and Early Childhood Development Wendy Lovell said the research was "an exciting step forward" in understanding the importance of reading to young children.

"These findings send a clear message to parents, grandparents, teachers and carers that the benefits of reading go way beyond a shared bonding experience."

Premiers Reading Challenge 2013

Cheryl Aquilina, PRC Coordinator

The 2013 Victorian Premier’s Reading Challenge is for all Victorian students in Prep to Year 9.

The aim of the Challenge is to promote a love of reading. It is not a competition, but a challenge for each student to read, to read more and to read more widely.

The Challenge has begun and officially ends on 6th September 2013. Students in Years 3 to 6 must read 15 books during this period (10 must be from the challenge list). Students in Prep to Year 2 need to read or experience 30 books during this period.

Flemington Primary school aims to have all children registered for the Challenge. Every child received a pink reading challenge permission slip today week.

Last year a number of children did not return their permission forms so missed out on certificates and having their names published.

Please make sure your child returns the signed slip by Wednesday 20th March 2013 so that we can register them as soon as possible.

The school will maintain the reading list for Grades Prep to 2 but for all students in grades 3-6, please login to the website and update your reading weekly.
Numeracy Corner

Some families may have already noticed a minor shift in how we have been approaching numeracy in 2013. This year all grade levels from P-6 have aligned the timing of their units so that we have a whole school focus on each mathematical topic at any given time. We hope that this move encourages the sharing of activities and conversations within the school and particularly in the home. In term one, our foci have / will be; Data (collection, display & analysis), Place Value and Number Properties & Location.

Children require many experiences in making, counting, drawing and talking about numbers. Make connections for your child by explaining how numbers and counting are a part of everyday life. The activities below will help your child develop these skills.

You may feel that the maths your child is doing at school is different from how you were taught, but you will still be able to support your child in many ways.

Playing shop / games: Prep-2
Collect food and grocery items and label them with prices written on sticky notes or prices cut out of shopping catalogues.
* Talk about how we pay for items using notes and coins.
* Make paper money or use play money to buy and sell goods from the shop.
* Order the food items by height (tallest to the shortest) or by cost (least expensive to most expensive).
* Dice are a great addition to any toy collection. Roll the dice and say, make or write the numbers identified. Roll the dice and add the numbers together to find the total.
* Play number games online with your child.
Try this website: [http://www.abc.net.au/countusin/](http://www.abc.net.au/countusin/)

Maths in the real world: 3-6
* What is the difference between the minimum and maximum temperature for each day?
* Find a seven-day forecast then record the actual temperature for each day and compare. Was the forecast accurate? What were the similarities and differences?
* Use the information on the weather website to explore differences in weather from your area to others. How much rain do you get compared to others? Are there differences in temperature?
* Identify the temperature and cooking time on the recipe.
* Estimate the cost to buy all the ingredients to make the recipe.
* How would you spend $40 from a catalogue? How many products can you buy for $40?
* What are the cheapest and most expensive items in your catalogue?
* Compare the cost of a product across different stores using different catalogues. What did you find?

Lookout for further practical tips and suggestions in future Intouch releases that can give your child the confidence to excel in maths.

David Meyer
Numeracy Co-ordinator
The Hub (Flemington PS Parents’ Association) AGM

Tuesday 19 March, 7.15 for 7.30pm start in the staff room at School

Research shows that children’s education is enhanced by parental involvement at school. An article in the Age a couple of years ago wrote that ‘Education is the most successful when parents and schools work together. One of the strongest predictors of how well children will do at primary school is the extent to which parents become engaged’. The article then suggested that ‘It is important to stay connected to your child’s school by reading newsletters, volunteering and forming a relationship with teachers’.

The Hub is Flemington Primary School’s Parents Association and it provides a great opportunity for parents to be involved regardless of their skills, experience or time commitments.

Every year we get a fresh new set of parents joining the Hub. They bring with them new ideas and new energy and we hope the same happens again this year. Regardless of whether you have just joined the FPS community or you have been thinking of getting involved for a while, we would love you to join us at the AGM. We meet once a month for a meeting that goes for approximately one hour.

Our aim is to have at least 12 members on the Hub which will be elected at the Annual General Meeting, held on Tuesday 19 March @ 7:15pm for a 7:30 start at School. There are many parents already involved who plan to stay on for another year, so this is a great opportunity for new parents to “learn the ropes”.

For those of you not familiar with the role of Hub, it is three-fold and includes:
- enhancing the students’ school environment.
- fundraising;
- and
- organising social activities to maintain and foster the community spirit.

If you would like to be part of Hub but cannot attend the AGM please let me know.

Alternatively if you have skills, experience or contacts that you think could be of value, especially in the area of fundraising, then please let me know.

Finally, if you can’t commit to being a member of Hub but are willing to help out when you can, please ensure you are on the Hub email distribution list …it is the easiest way to keep informed. Simply send me an email and I will add you. If you require further information about the Hub before signing up, please feel free to contact me to discuss.

Regards,

Karin Moore
Hub President
ST BRENDAN’S PARISH SACRAMENT PROGRAM 2013
FOR CATHOLIC CHILDREN WHO ATTEND
GOVERNMENT AND INDEPENDENT SCHOOLS

FIRST EUCHARIST is for children in grade 4 upward who have made their First Reconciliation.
It is an eight weeks program beginning at 10.15 a.m. in St Brendan’s School on Sunday, 14 April 2013 to Sunday 26th May 2013.

THE SACRAMENT OF FIRST EUCHARIST IS SUNDAY 2 JUNE 2013 AT 10.30AM

---------------------------------------------

1ST RECONCILIATION PROGRAM is for children in grade 3 upward. It is an eight weeks program beginning at 10.30 a.m. in St Brendan’s School 8th September 2013 to 10th November 2013

THE SACRAMENT OF RECONCILIATION TUESDAY, 12 NOVEMBER 2013 AT 7PM

---------------------------------------------

CONFIRMATION is for children in grade 5 upward who have made their First Eucharist. It is an eight weeks program beginning at 10.15 a.m. in St Brendan’s School on Sunday, 9th June 2013 to 11th August 2013.

THE SACRAMENT OF CONFIRMATION IS SUNDAY 18 AUGUST AT 10.30AM

If you wish to enrol your child in the above programs or if you require more information, please contact: Carol Harris, Pastoral Associate, at St Brendan’s Presbytery on 9376 7378 (Tuesday to Friday); or Mobile 0438 576 743 or by Email: carolharris@iprimus.com.au

Community News

St Brendan’s Kindergarten will have an open night for families interested in enrolling for kindergarten in 2014.

This will take place on Tuesday 12th March, between 5pm and 7pm at St Brendan’s Kindergarten, 25 Bryant St Flemington. Everyone is welcome. Enrolments open on Thursday 18th April.

Free pet first aid and nutrition seminar

- Free pet first aid kits
- Free pet food samples
