Principal’s Report
Lesley McCarthy

At the close of nominations for the new School Council there were 3 nominations received. As the number of nominations equaled the number of vacancies, an election is not required. Congratulations to the following parents who are therefore elected to School Council for a 2 year period commencing Monday 24th March 2014.

- Peter Pickering – father of Harry
- Trevor Wallwork – father of Sam and Noah
- Karin Moore – mother of Lucas

These parents are thanked for their commitment to the school and welcomed {and in Peter’s case, welcomed back} to School Council.

Next week is Cultural Diversity Week and we have many activities planned. The week will begin with the commencement of the CARE program straight after assembly on Monday.

Wednesday is Ride To School Day and we want to see everyone Ride, Walk, Scoot or Skate to school.

Friday is Harmony Day and we will be celebrating with activities, students in national dress or wearing orange and banners for the Fete.

Save the Date – It’s The FETE – March 22nd

Please note that we are now accepting donations for the fete each morning and afternoon of the following second hand items:
- Toys
- Books
- CDs, DVDs & Computer Games.

Please deliver the items to Room 20, the small portable near the library, each morning (8:45 to 9:15) or at pick up (between 3:15 and 3:45).

Any donated plants can be left next to vegetable garden, next to portable 14.

Mystery bottles for the 5/6 stalls can be left in the foyer of the Flexible Learning building.

Today we have had 19 trainee Speech Therapists from ACU visit our school. As part of their training they are conducting basic speech and concepts about language tests on students in Prep, 1 and 2.

Once completed, the students will then write a report which will be audited by their supervisor, who will also suggest strategies to address any issues.

This work is being overseen by Dr Diane Jacobs of ACU who has worked at our school previously. If you believe your child would benefit from this screening or assessment, please complete the form distributed by the teacher or collect a form from the office.

Just a reminder again for parents and families the disabled parks at school are for those people who have an appropriate sticker in their car and it is for them.

Flemington Street is still congested with the building works at the kinder and I would again remind families not to park in residents off street parking areas.

CALLING ALL PARENT HELPERS!!
We need your help!
Thanks to the amazing fundraising of the HUB, our school purchased a Fountas and Pinnell Intervention Kit. This kit will be used to support our grade 3/4 at risk readers during guided reading.

The kit has over 900 books that need to be labelled and filed so they can be used. We are in need of some parents to help us complete this task!!
If you are available on March 19th or March 26th at 9am, we would love you to come in and help us.

Come one, come all!!
Just sign in at the office on the day and Zoe will help you get you started.

Dear Parents/Guardians,
As you are aware the Flemington Primary School Fete is on the 22 March (only 1.5 weeks to go!). The grade 5/6 students will be running two of the stalls; Tattoos and Coloured Hairspray and the Mystery Bottle stall, with the assistance of parents.

We are kindly asking families for donations of 1) coloured hairspray and 2) completely wrapped-up gift bottles that can be sold on the day, as this would be a huge help in assisting with the fete. There are drop off boxes located in the 5/6 flexible learning neighbourhood and the grade 5 area. We greatly appreciate any donations given, no matter how big or small.

Thank you
The 5/6 Team
The Flemington Primary Strategic Plan focuses on student wellbeing as the key to a positive student learning culture. The CARE program is designed to improve student engagement and connectedness to peers at Flemington, we hope to improve our whole school transition as we begin the annual process of moving to new grades.

Why a CARE Program?

In our last school review, the reviewer found that “while the school and staff had made considerable efforts to develop a whole school positive learning environment, the data indicated further improvement is needed”. The School Leadership Team, the School Welfare and Engagement Team, and the Staff have endorsed the trial as a means to improve our performance. The CARE program will include circle time, a focus on the school values (care and compassion, respect, responsibility, and honesty), You Can Do it!, and Habits of Mind into weekly practice - the goal is to improve student engagement, connectedness to peers,

How will it work?

The students will be split into multi-age groups according to the 4 Houses (Mooltan, Cashmere, Delhi and Mangalore) of approximately 20 students a group. Each group will consist of students from each year level prep-6. We are striving to ensure the home group teacher is different to the child’s classroom teacher and to include the specialists – in this way, the students in the CARE group develop a relationship with another teacher as well as children from all year levels.

The CARE program will run after on Mondays (after assembly) for the next 3 weeks and then again in term 3. The program will begin with circle time and an icebreaker then go into activities designed by the CASEA program and following the Key elements of the School’s You Can Do It!, Habits of Mind, and Solving the Jigsaw programs. These next 3 weeks will focus on the theory of ‘team work.’ In this way, we get our school values off the walls and into our regular practice! The CARE program may also integrate Civics and Citizenship elements. For example, a group may go out to share their work in the community or invite guests to school to view their work. Early in term 4, there will be a closing ceremony to celebrate our journey.

The program will allow every student in the school to participate in a buddy program in their working groups. Pupil of the Week awards in term 2 and 3 will be replaced by CARE awards. Not every student will receive one of these awards in the term 2 and 3 program. Rather, the awards will be based on demonstration of the value. The Pupil of the Week program will resume for everyone in term 4.

The groups and the home group teacher will be kept the same from year to year across the student’s primary school life. This would mean that in 2014 this year’s grade 6s would leave the group to be replaced by next years’ new prep into the group. The groups will create links across the school for student voice in prep to grade 6. The success of the program will be measured using our own survey and as part of the 2014 review of the 5/6 Attitude to School, staff opinion and parent opinion surveys. We encourage the whole school community to get behind the program.
