**Principal’s Report**

Lesley McCarthy

What a fabulous Fete we enjoyed last Saturday! The weather angels smiled on us and the work put in by the Fete Committee and parents meant that everything ran smoothly. The crowd was strong and thoroughly enjoyed all entertainment and activities on offer. Sincere thanks and congratulations to everyone who helped in any way at all – you have contributed to a wonderful community day and have helped to raise funds for our students and school. Thank you!

At the first meeting of the new School Council on Monday evening, office bearers for this year were elected. Congratulations to:

Peter Pickering, President; Jutta Dreier, Vice President
David Amor, Treasurer; Justin Lucas, Secretary

We also welcomed Trevor Wallwork, Karin Moore and Mark Catterson to council. I would like to express my thanks to Jake Dingle, Martin Irwin and Grace Mittas for their work over the past years.

Council also approved the following **Curriculum and Pupil Free Days** for the year – Tuesday April 22nd, Monday July 16th, Monday October 6th, Monday 3rd November and Friday 19th December.

Congratulations to our **swimming team** who competed at Geelong on Tuesday. All students swam personal bests including the 2 girls relay times who exceeded previous times by big margins. The 12/13 Girls Relay will now compete at the State Championships - Maia Amor, Tamsin Crook, Amy Filipovic and Angelina Lam will compete on 29th April at MSAC. Tamsin achieved a bronze medal in under 13 girls Backstroke.

The proud swimming coach with most of the team who competed on Tuesday.
Pupil of the Week
Week beginning March 24th 2014

Icy poles will be on sale on Friday this week and daily until we run out for the rest of term. Icy Poles are $1.
Fete wrap up!

A big thank you to everyone for their work before and at the fete on Saturday. It was a wonderful community event and thoroughly enjoyed by all.

Congratulations to all – our estimated profit at this stage is $37,000, an increase on the last fete of $9,000.

Thank you to the following people who worked so hard for the event:

Assistant Principal's Report
Sandra McOri

Tutoring Available

* Fully qualified and registered teacher, providing supportive assistance that is fully tailored to your child’s individual needs.
* Over 10 years’ experience teaching in public and private schools and tutoring.
* Have your child tutored by a teacher who understands that all children learn differently.
* Able to come to you or meet in a central location.

Vern O’Hara 0403 777 050

Term 2 lessons
Next week is the last week for term 1. Please note that this will be a teaching week and not a make-up week so all teachers will be teaching. If you intend to withdraw your child from the program at the end of this term, please email Vern ASAP. If you don’t let Vern know before the end of this term, you will be invoiced for Term 2 lessons. Term 2 invoices will be mailed out during the holidays.

If you would like to change your child’s lesson structure i.e. from shared or group to individual etc, please email Vern and he will make the change if possible.

If you would like to enroll your child in lessons starting Term 2, please email Vern before the end of term.

New piano teacher
Due to the strong demand for piano lessons and all our current piano teachers having a full workload, we have decided to employ another piano teacher starting in Term 2.

Bryn has been teaching Rosey’s piano and theory students during the past few weeks during her absence and will take on any new students next term. Bryn will be teaching on a Wednesday and is available to take some students after school.

I have had a few enquiries from interested parents of Prep students and as Prep students are not allowed to have lessons during school time, I will timetable any prep students after school. I have 5 students already on my waiting list.

If you would like your child to start piano lessons next term, please email Vern, (including those parents who have already contacted Vern) to confirm your interest.

o’hara.vern.a@edumail.vic.gov.au
Brunswick Secondary College parents and those from local schools are warmly invited to the *Creating Confident Kids* Parent session. Maria Ruberto is a highly regarded clinical psychologist and speaker who is working with our school on an ongoing basis conducting professional learning for our staff. Positive Psychology is the study of wellbeing, not Happiology. The session will be engaging and offer practical advice and strategies for parents.

A Positive Psychology Perspective on Parenting

Presenter: Maria Ruberto

**Date:** Tuesday April 1

Time: 7.00 – 8.30pm followed by supper in the library.

Cost: A small donation to the school fund supporting students in financial need would be appreciated.

RSVP: Email: Brunswick.sc@edumail.vic.gov.au Phone: 9387 6133
Creating Confident Kids

A Positive Psychology Perspective

The Science of Positive Psychology is the most recent branch of psychology that was founded by Professor Martin Seligman in 1990, which serves to understand the science behind wellbeing; how to create it and how to live it. It is the study of positive emotional engagement and meaning; the study of mental health (as opposed to mental illness) and mental fitness. Happiness and optimism are the key concepts that underpin this approach, partnered with tools that enable young people and adults to live the best life possible.

Positive Psychology enhances our knowledge and understanding of how, why and under what conditions positive emotions, positive character and the institutions that embrace this philosophy enable people to flourish, significantly reduce depression (and other mental illnesses) and live longer, healthier lives. It is about building human potential and the capacity to positively enhance better coping and resilience.

In this workshop we will explore the main contributing theories within Positive Psychology, and how these can benefit our relationships with our children and guide our parenting with strategies that are simple and effective. These strategies become the foundation to help prevent mental illness later on in life and provide families with research to help validate what they see in their children.

Salutegenics Workshops aims to:

- Offer a psycho-educational approach to understanding mental health
- Understand challenges from a neuropsychological perspective
- Teach the tools to better respond to adversities
- Teach the tools to create resilience and wellbeing
- Offer parents a summary of research around supporting their child through adversities

What is Rotary?

Rotary is a world-wide organisation which works to support people and communities everywhere. We are neighbours, community leaders, and global citizens uniting for the common good. Our motto is Doing Good in the World!

We create lasting change in communities around the world focusing on 6 areas of need:

* Promoting and working towards peace and conflict resolution
* Preventing disease
* Providing access to clean water and sanitation
* Enhancing maternal and child health
* Improving access to basic education and literacy
* Helping communities to develop and become economically strong

We are especially dedicated to ending polio in our lifetime through the Polio program, which, with the assistance of the Bill & Melinda Gates Foundation has helped to eradicate wild polio from all but 3 countries.

www.rotaryflemington.org.au/

In recent years, the Rotary Club of Flemington has:

- Opened and operated an Opportunity Shop in Racecourse Road which provides low cost clothing, books, toys and household goods for our community.
- Developed and funded the RoadSTART Driving program for disadvantaged adult learner drivers in Flemington.
- Sponsored local secondary school students to Youth Leadership programs including the National Youth Science Forum, Model United Nations, Rotary Youth Leadership, Rotary Program of Enrichment and Rotary Peace Scholars.
- Provides scholarships to all local Primary schools for Year 6 students.
- Worked with the local communities to sponsor the Flemington Eagles & North Lions Soccer clubs.
- Assisted local groups with auspicing, grant applications and fundraising.
- Sponsored a child from New Guinea to Australia for life saving surgery.
- Funded the construction of toilets for schools in Bangladesh.
- Funded and stocked containers of equipment to send to schools and hospitals in Africa.
- Participated in Youth Exchange sponsoring local secondary students to live in Brazil, Finland and the USA for 12 months.
- Assisted local schools with fundraising BBQs, gardens and art smocks.
- Raised funds for BlazeAid and bushfire relief Australia wide.
- Supported Pacific communities through natural disaster relief.
- Assisted Moonee Valley Council and Regional Rail Link with BBQs.
- Delivers free bread each Friday from Bakers Delight to the Debnys Park residents.

Please join us for breakfast on a Wednesday at 7.30am, Quest in Epsom Road, and discover our world.

“I believe in dreaming big. That’s why I joined Rotary.”

— Bill Peacock, President of the Year 2002

Like Rob, turn conversations into actions. Join Rotary and make a difference. There’s a club near you.

Call 1300460183 or visit rotaryaustralia.org.au

Rotary. Humanity in motion.
Clothier Anderson & Associates is a specialist Immigration Law Firm located in Carlton.

We provide high quality immigration legal advice and service to our clients in a cost effective, practical and efficient manner.

We work closely with our clients to assist them in all areas of Australia’s immigration and refugee law system.

Both Michael and Karyn have been voted by their peers as two of Australia’s best immigration lawyers since 2008 and 2009 respectively and are accredited immigration law specialists.

Transistion News

Open Days @ MAC in 2014
Sunday 4 May, 10:00 a.m. – 12:00 p.m.
School tours every Wednesday 9 a.m.

Mount Alexander College prides itself on the ability to nurture its students to achieve their best with intimate class sizes. Located on the corner of Mt Alexander Road and Wellington Street in Flemington, it is easily accessible by train and tram.

Mount Alexander College boasts increased enrolments in the last four years and additional programs on offer. 2014 was the first year of the SEAL (Select Entry Accelerated Learning program) for the Year 7 intake. The school has long been committed to challenging all of its students and have responded to a growing need in the local community.

Other programs introduced in 2014 are:
- Year 7 – Mandarin in addition to Italian
- Year 8 – Mandarin, Drama and Stairways*
- Year 9 – Advanced Program, Stairways, Forensic Science and Media Studies
- Year 10 – Drama and Media Studies
- VCE Years – Philosophy as a new subject to add to our comprehensive program

In 2015 we are continuing with the SEAL program as well as introducing Girls Leadership Program Scholarships. The Girls Leadership Program is for girls who have potential to lead and demonstrated academic endeavour.

To enrol in the SEAL program, prospective students must register before 9 May for the entrance exam which will be on Saturday 17 May.

All details are on the Mount Alexander College website [http://www.mountalexandercollege.vic.edu.au/](http://www.mountalexandercollege.vic.edu.au/)

*Stairways is a combined group of Year 8 and 9 students whose achievements levels are high. The course of study focuses on high order thinking.

SECONDARY SCHOOL’S EXPO

Once again Moonee Ponds West Primary School will be hosting the annual Secondary School’s Expo. The Expo is an opportunity for you, along with your child, to meet and hear from representatives from our neighboring schools.

The invited schools are:
- Mt. Alexander College
- Marybyrnong College
- Princess Hill SC
- Footscray City College
- Pasco Vale Girls College
- Buckley Park SC
- Rosehill SC
- Strathmore SC

The Expo will be held on the 1 May from 4.00 – 7.00 p.m. in the school’s gym which is located on the right hand side as you enter the gate at 150 Athol Street, Moonee Ponds.

If you have any questions prior to the afternoon don’t hesitate to contact me.

We look forward to you attending the Expo.

SELECT ENTRY ACCELERATED LEARNING PROGRAM (SEALP)

This program is tailored to students with high academic ability and potential. Students are accelerated through the core program for Years 7 – 10 in three years. A combination of VCE Units and Year 10 Enrolment units are studied in Year 10. As well as completing VCE Units in Years 11 and 12, there will be the possibility of studying a university subject.

There are a limited number of places offered in this program, and all applicants must complete the Edutest selection test.

Registration for SEALP & Academic Testing Closes
Friday 9th May

Testing Friday 16th May

Kids Holiday Workshops!

School holidays are coming up and we’re parents will be looking for ways to entertain the kids each day. Well, here at Handmaker’s Factory we have made it easy for you! We’re hosting a number of affordable kids workshops throughout the holidays. They’re a great way to encourage your kid’s creativity and give them something to do that doesn’t involve a screen.

Each workshop lasts a few hours giving your child enough time to create something without getting restless. Actually, I’ve tested many of these workshops out on my own kids and their friends and they never want them to end!

They will learn useful new skills such as how to sew on a machine or with a needle and thread. They will use their creative minds when choosing fabrics and designs and will have the freedom to express themselves in the creations they make.

They will learn about the techniques and tools they use and a lot of the history behind the craft along the way. Best of all is that they get to spend that time with you! We’re always so busy that it’s hard to just take a few hours to spend with our kids to do something fun and enjoy each other’s company.

Visit https://weteachme.com/handmakersfactory to check out our workshops and book a spot.

Open Day
Wednesday 7th May, 2014
9:15am – 10:30am – School Tour No. 1
11:00am – 12:15pm – School Tour No. 2
2 guided tours of the facilities will take place, where you can view demonstrations and open classrooms.
The tour will start at the Theatre.
RSVP – required for School Tours only
