Welcome back to school for Term 4, the Summer term when everyone needs their broad brimmed hat to play outside. After a well-deserved holiday, we can now settle down to the final weeks of the school year.

We are already well underway in our planning for 2014 with the Prep Transition Program soon to commence. It is also the camp term and the Grade 3/4 students are currently enjoying the excitement and challenges of the YMCA Lake Dewar camp. We look forward to their stories when they return to school tomorrow afternoon.

Brendan Newman has called to say that all is well and students thoroughly enjoyed their first afternoon.

This week we have welcomed 4 Social Work students to our school. Isa, Terry, Lisa and Ren are completing a placement at Flemington PS, developing their skills in relationships and communication with children. Guided by Ms McOrist and our school psychologist Gail, they will observe and assist in classrooms and may work with individual children or small groups with parent consent.

Yesterday we again hosted a party of Education Professionals from New Zealand to visit Flemington PS. Once again, they were very complimentary about the manners, behaviour and work habits of our children. Some specific highlights for them were: Prep children investigating non fiction texts, Grade 2’s using the iPad minis to write stories and make notes, the Grade 5/6 area and especially the work on iPads and investigation of Passion Projects; the outstanding explicit teaching, our music facilities and hall. Thanks to all teachers and students for their assistance and collegiality.

Grade newsletters will be sent home this week and I urge parents to read and check for information and dates for this term. Prep students and Grade 1L will be swimming this term on Fridays so please remember bathers, towels and undies.

Grade 5/6 Interschool Sport commences next Friday, October 18th. We will be playing against Moonee Ponds Blue at home.

Sun smart

Term 4 is the time of the year when all children need to be wearing a **broad brimmed hat** whenever they are outside.

If a child is not wearing a hat then they will be asked to spend their recess and lunch times in the outdoor learning area next to the amphitheatre. It is more fun to have that hat on!

For those who continually have no hat or are found to be outside after being asked to stay in the outdoor learning area will be sent to the office.

Ride To School

Next Wednesday 16th October is National **Ride2Work Day**.

Parents and students (and teachers) are encouraged to register for the day - [https://www.bicyclenetwork.com.au/general/ride2work/](https://www.bicyclenetwork.com.au/general/ride2work/) - and be part of something big by riding (or walking or scootering) to work or school.

Parents may be able to ride with their children to school and then onwards to work (or at least the train station).

Alternatively, drive part way and ride/walk/scooter the rest of the way.

And the whole of November is Walk to School month. Let’s get our walking shoes on!
Max and Harry Pickering had an amazing adventure when they holidayed in Zimbabwe and Botswana recently with their parents. They also had the opportunity to visit a school in Monde – a very different experience to FPS.

Yes, that is a real live Cheetah!
