Principal’s Report
Lesley McCarthy

Yesterday, Nick Pole, the Deputy Secretary DEECD visited our school. He spoke with Student Leaders, visited the new buildings and observed the 5/6 students and their iPad learning. He was very impressed with what we are doing and was particularly interested in the Solar Boat and Recumbent Bike activities.

Congratulations to our Science Talent Search students who were advised of their awards at Assembly on Monday morning. We were even more excited when we were advised that our school had been awarded a special prize for the overall quality of entries. Ms Dziadkiewicz will collect this award on our behalf at a special celebration of November 6th.

I am also delighted to announce that one of our past students, Rose Ho who now attends Melbourne Girls College has been awarded a Rotary scholarship to attend the National Youth Science Forum in Canberra in January 2014.

Last Friday I attended the Moonee Valley Council Spirit of Moonee Valley Awards at the Clocktower Centre. I was delighted to be able to support 2 of our parents who had been nominated as well as community representatives nominated by the Rotary club of Flemington. Congratulations to Hadia Kombo and Helen Papadimitriou who received awards for their community work.

Good luck to the Solar Boat contestants who will be competing at Scienceworks on Saturday. The weather will be excellent for solar energy and we wish them all the best.
Pupil of the Week
Week beginning 14 October 2013

Office News
Office Hours, 8.30am – 4.00pm Monday to Friday

We are missing 3 items from the Lifetime Books that are left (outside of the office) for us to look at and order. If you have borrowed a book could you please let the office know as this is the third time we have had books go missing. We are now required to pay for these books out of school funds.

Thank you

Scholastic Book Club

Issue 7 order forms that were sent home recently are due back to the office by Wednesday 23rd October by 9.00am.
No late orders will be accepted

Please note, that orders sent before this date will now be sent to Scholastic as received (except cash which will be processed on the final day). The office will now process orders a couple times a week (for credit and cheque payments only) so the earlier the order, the earlier the children will get their book.
Assistant Principal's Report
Sandra McOrist

Dogs in the Playground
Just a reminder that dogs are not allowed in the school grounds. There are signs stating this around the school. We have had children come into the office of late who have had the misfortune to step into dog faeces. It would be appreciated if families waited outside the school ground with their dogs when collecting children or in their cars.

Hats
Well done everyone on having their hats ready for school last week. I know that we have had amazing hat sales as well. PLEASE ensure that your child’s name is clearly labelled on their hat that way if left somewhere they can easily be returned. Also note that our school hats cost $13.00 not $10.00. Please send the correct money with your child.

School Grounds
We have had a number of issues over the holidays, last weekend and after school where school property has been vandalised. This has come in the form of moving the new bike racks, removing bolts from the racks and moving bikes around the school. Taps have been removed and speakers pulled off walls. Just a reminder that if you are concerned about suspicious people in the school grounds please ring the Flemington Police and they will deal with them.

Science Talent Search News

I was so thrilled to announce at assembly this week that 9 of the 23 entries in this year’s Science Talent Search won cash prizes as listed below. The bursaries amounted to $335!

Olivia A.
Oscar A. and Lewis M.
Marcus D. and Mitchell M.
Rachel D.
Vinicius F.
Will H-K.
Jack S. and Francis B.
Andrew S.
Olivia W.

Well done to all students who entered. They worked so hard to submit high quality projects to a panel of judges. They all should be very proud of themselves.

We can be doubly proud because on Tuesday we learned that Flemington Primary School has been awarded one of the Hugh McKnight Encouragement Awards recognising the high quality of entries submitted over the breadth of sections in the competition!

Bursary winners will attend the Presentation Day on 6th November at La Trobe University to present and explain their projects, and to collect their bursary cheque.

Thanks again to parents and science mentors for supporting this program.

Nicola Dziadkiewicz
Solar Boat Challenge this Saturday!

16 teams of students have been working hard at lunchtimes to design and build their solar-powered boat. This is in preparation for the 2013 Solar Boat Challenge.

When: Saturday 19th October. 8.30am until approximately 3.00pm
Where: Scienceworks, 2 Booker St, Spotswood, 3015
What to bring: Lunch, snacks, water, hat, sunscreen, raincoat, umbrella, teamwork skills, positive attitude and a smile.
Who: Team members (students) and a parent. (Please note that teachers will be available to assist with last minute alterations to boats on the day. Parents will be responsible for supervising their children.)
Cost: There is no cost on the day for students participating however all adults will need to pay an entrance fee.

For more information about the event please visit http://modelsolar.org.au/

If you have any queries about transport to the event, or the event itself, please speak to one of the teachers involved:
Nicola Dziadkiewicz, Bruce Ziebell, Sandra McOrist, Christina Laught or Leonie Isaacs.

See you at Scienceworks!

Western Region Athletics Carnival

On Tuesday 15th October Flemington PS had 10 students representing the school in the Western Region Athletics Carnival at the Keilor Athletics Track. With schools ranging from the Geelong, Torquay and Werribee districts we were prepared for a high level of competition. To make things even trickier the students had to compete in big headwinds. This didn’t deter our students as they all competed to the highest of their ability. We were once again very successful with the majority of our students making their way into the finals.

The results were:

Oscar S (high jump) – 5th
Grace C (high jump) – 5th
Amy F (long jump) – 4th
Luca A (long jump) – 8th
Jason J (triple jump) – 4th
Amelia B (100m) – 6th heats
Amy F (100m) – 2nd heats, 3rd Final
Jason J (100m) – 4th heats, 4th Final
Sophia J (hurdles) – 2nd heats, 5th Final
Angelina L (hurdles) – 1st heats, 4th Final
Tamsin C, Angelina L, Prue C & Amy F (4x100m relay) – 1st Final

In the process of winning the 4x100m relay the girls also broke the Western Region record by 3 seconds (in big headwinds)! They will now proudly represent the school on Monday 28th October in the State Final.

Congratulations to all students involved in the carnival for such amazing results and all the free time they gave up for their training. A big thank you also goes to all adults who helped and supported along the way.
Facts about students, health and active travel

Today the levels of physical activity are significantly low when compared with statistics 40 years ago. The Ride2School Team are working to reverse this trend. This infographic is designed to show the benefits of increased physical activity with students and the school community.

In the 1970s, 8 out of 10 students rode or walked to school. Today there are only 2 out of 10.

60 minutes is the minimum daily requirement for physical activity for children under 10.

Students who actively travel arrive awake and alert, improving their concentration in class and ability to understand the curriculum.

Active Transport can reduce congestion and parking problems, leading to healthier local environments and communities.

Schools that participate in the Ride2School program achieve an average of 5 in 10 students who actively travel to school.

Activity trend
Over the past 40 years the number of children who are physically active everyday has significantly dropped.

Physical activity is ranked second to tobacco control as the most important factor in disease prevention in Australia.

Getting children out of cars and into active transport is believed to be the most effective way to improve levels of physical activity.

Physically active students are healthier, happier and more socially connected.

About the Ride2School Program
The Ride2School Program is a behaviour change initiative that works to make active travel normal for students, while improving schools' education outcomes. The program aims to tailor its assistance to suit the needs or overcome the barriers faced by each school.

Join thousands of schools across Australia and register today at ride2school.com.au

BACK TO THE 80's NIGHT - Sat 19 October

We’re looking forward to the Back to the 80s Night which is being held this Saturday night in the Hall. The weather will be warm, but not too warm for leg-warmers - dressing up in 80s attire is entirely optional (but hard to resist!).

Some info for those who are coming along:

The team from ‘Funky Bunch’ are going to run the trivia for us & get the night started by testing our knowledge of all things 80's. This will start right on 7.30pm so please arrive around 7pm so you have time to mingle beforehand. After the trivia, Phill and his band will get us on the dancefloor with their playlist that takes us from Wham to The Clash - something for everyone!

So just a reminder that you will need to BYO all food, drinks, glasses, plates, etc. You are welcome to decorate your table but that’s optional - we will be setting up tables with tablecloths but the rest is up to you...

Friday Fun Treats

Icy poles will be available for $1 from the Canteen this Friday.

OSHC News

Camp Australia manages the Before & After School Care program. All bookings, absences and payments need to be made through the Camp Australia website.

Dance TO SAVE

Did you know that more than 6.9 million children die every year before their 5th birthday? That’s 787 children every hour.

We want to change this!

This is a fundraising event to help support Save the Children as well as a chance to dance, get active and have FUN!! Bring your family and friends, anyone of any age can come to any class! Come for as many classes as you want or just come to support!

 WHEN: Sunday the 20th of October, 10am - 1pm
 WHERE: CollingwoodSeniorCitizensCentre, Eddy Court, Abbotsford 3052

HOW? To get there – It is only a walking distance away from Collingwood Railway Station. 
> Park in the car park behind the centre. Turn off Rundle Street into Station St and then left into the car park.

HOW can I DONATE in this amazing cause?
> Donate cash on the day - Please note that you will not be able to get a receipt for any cash donated on the day.

Donate your time! – We are still looking for volunteers to help with donations, collections and general tasks throughout the day. Please let me know if you can help out with anything.

For any enquiries or if you would like to assist please contact Catherine Bland on 9586 2146, 6470 355 959 or email catharine.bland@schoolVictoria.com
