Principal's Report
Amanda Williams

It is only week 2 and it looks and feels as if we have all been back at FPS forever! So much has happened in only a short period of time, including our first incursion for Years 1 & 2 - a hockey clinic! Schools, and especially FPS are very busy places and it can be challenging to keep up with what is going on at times. How we communicate with our families and community is very important to ensure that everyone not only knows about the wonderful events that are occurring, but so that our families can be informed about what is happening with their child’s learning and events in their classroom. This newsletter will outline the way we communicate with our families and community.

Tiqbiz is an app that can be downloaded on your phone. It is easy to use and we will use it this year to distribute all whole school information about events. This will include reminders about book week, curriculum days, public holidays or a simple message such as that students have arrived at camp safely. Please see the flier in this newsletter about how to download Tiqbiz.

Class Dojo. Teachers use Class Dojo to communicate and showcase to parents about the learning that happens in their classroom. It is a great way to be informed about what your child is doing during their day and teachers will post messages that are specific to their class. Your child’s teacher will invite you to join.

Curriculum Overviews and the FPS Curriculum Board. Each term a curriculum overview outlining what is being taught in Maths, Reading, Writing, Unit of work, Health and Physical Education, Library, Science, Chinese, Music and Art for your child’s year level will be sent home to all families. A Curriculum Board located in the administration corridor (near the office) will also display this information for all year levels and will be updated every term. Our Curriculum overviews for Term 1 will go home next week.
InTouch. Every Thursday this newsletter is produced, showing our calendar of events and updates about what is happening at FPS. It is a great way of staying “InTouch”- hence the name. It will contain just some of the highlights of the week at FPS and will outline up and coming events that parents need to know about- for example, the Open Classrooms and Welcome BBQ on Thursday 23rd of February. It is also a forum where some of our subcommittees such as The Hub (Parents and carers for those who are new) can communicate information about fundraisers and other community events.

Website. Admittedly this is looking very “last year”, but plans are in motion to have this vamped up to inform parents and the wider community about everything there is to know about FPS from policies, Annual Implementation Plan, school structures and also school achievements and news. InTouch can also be found on this site. www.flemingtonps.vic.edu.au

School Assembly. Our student leaders run assembly every Friday afternoon in the hall starting at 3.10pm. They celebrate student achievements, share learning and provide details of upcoming events. Parents are very welcome to attend.

In person. Finally, our wonderful staff are here as well. Contacting your child’s teacher can be done in person or by phone through our office staff. Whilst they are busy with teaching and learning, they will always make a time to meet you if they cannot see you right at that particular moment.
This afternoon staff spent time looking at the work they commenced back in 2016 with our community about the FPS Mission and Vision. This process incorporated parents, carers, students and staff. We will be launching this on Thursday 23rd March at our Open Classrooms and Welcome BBQ. So here it is...

**Mission**

We will provide learning opportunities in supportive and collaborative learning environments.

**Vision**

Students will realise their full potential, contributing to our school, our community and our world.

Finally, we wish all of our swimmers the best of luck as they begin 2 days of trials to join the FPS Swim Team. Our team will commence training next week and I would like to thank all of the teachers (and there are many of them!) who will be attending and coordinating early morning training sessions to ensure that our students are prepared and ready for the inter school swimming carnival.

Happy learning!

Office News
Office Hours, 8.30am – 4.00pm Monday to Friday

Camps, Sports and Excursion Fund (CSEF)
The State Government has introduced a CSEF initiative to assist with the cost of school excursions, camps and sporting activities. The CSEF is available on the first day of either Term 1 (30th January) or Term 2 (18th April), to those who are:

a) Beneficiaries under the State Concession Act – holders of valid Centrelink Health Care Card (HCC), Pensioner Concession Card (PCC) or Veteran Affairs Gold Card or are

b) Temporary foster parents.

To access the scheme, parents and carers must compete and return the application form, found on the last page in this newsletter (only one needed per family), along with copy of card to the office by Friday 17th March, which is preferred date, or Friday 30th June 2016 (last date to accept applications).

If you are eligible for CSEF, which is $125 per primary school child per year, you will be able to use this money towards excursions, swimming and camps.

Scholastic Book Club

Issue 1 order forms that were sent home recently are due back to the office by Monday February 13th by 9.00am

No late orders will be accepted

Please note, that orders sent before this date will now be processed to Scholastic as received so the earlier the order, the earlier you will receive the book/s. Please note, all credit card payments are now processed via Loop and orders will be sent direct to the school for distribution.

UPDATE CONTACT DETAILS

Just a reminder that a form went home last week with the eldest child in each family requesting an update of parent’s occupations and contact details. If you have not already returned this to the office, could you please do so by Monday 20th February. If you have misplaced your form you can collect another one from the notice holder outside the office.

Thank you

Helpers Required.
All playground areas with equipment in the school have soft fall underneath them. I am currently trying to rake back all of the soft fall from the far edges. If anyone has an hour or two that they are able to donate to the school (while the children are in class) to assist, it would be greatly appreciated. I have the necessary tools and will happily provide each worker with water, tea, coffee and a biscuit!

Thank you

Helpers Wanted!
Dear parents,
Last year we ordered a range of new books for our Classroom Libraries and Home Reading books. These books have just arrived at school and we are looking for helpers to sort and label them so they can go into the classrooms and students can begin enjoying them.
If you are available on Monday morning at 9am to help us in sorting these books, please meet me outside the office. Any amount of time people can offer will be appreciated.
Look forward to seeing you there!
Thank you,
Sarah Nightingale

Art News
Karen Leopold
This week will be our first creating week of 2017. It will be another exciting but creatively challenging term, and as usual a little bit messy using materials like paint, PVA glue and clay. It is important that students bring an art smock, which can be an old shirt or T-shirt, to protect their clothing and hopefully save you lots of washing. These will be kept in their classrooms for use there and in art.

Art Extension and Art Club will start next week.
This term Art Extension will be for grade 3 and 4 students and will focus on textiles. Interested students will need to attend the initial meeting next Monday lunchtime and remember that if they make a commitment to be members of this group they must remember to come every Monday.
Art Club is for all Prep-2 students at lunchtime on Wednesday, 1.40 -2.15 pm. There will be a weekly activity and students can come in for a short or long time as their interest dictates.

ART EXHIBITIONS - David Hockney
Art exhibitions and visits to galleries broaden students’ understandings about art, artist and the world and are an important part of student artistic development. We look at the work of many artists in the art room using prints, books and digital images but nothing beats looking at the real thing!
This Exhibition at the NGV is a great one for students to understand that realism in art is not the only thing to be valued. Hockney’s work demonstrates the value of experimentation, innovation and expressive imagery. It is on until March 13.

Grade 1 and 2 Hockey Clinic

On Tuesday all the Grade 1 and 2 students participated in a Hockey Clinic. All the students had a fantastic time learning new skills, showing persistence and enthusiasm when trying something new.

“On Tuesday we learnt about hockey. We learnt to hold a hockey stick. We walked, ran and stopped. We played some hockey games too. I liked the running and stopping part. It was a lot of fun.”

Ava 1K

“On Tuesday we learnt about Hockey. I liked holding the hockey stick and hitting the ball. I had so much fun!”

Camilla 1K

“Today we learnt about hockey, I learnt how to hold the hockey stick. It was a little hard but all the Grade 1’s loved it.”

Neha 1K

“On Tuesday we learnt about playing hockey. The hockey club was called the Essendon Hockey Club. I liked the game traffic lights.”

Mia 1K

“On Tuesday we learnt about playing hockey. We had a competition and we had two teams. I was excited. I really liked what I did. I liked dribbling the ball. I loved racing with the hockey ball. I tried my best and never gave up. Now I am really good at it. I was a champion.”

Lilly 1K

“On Tuesday we learnt about hockey. We used a hockey ball and a hockey stick. We were running and walking. I also liked scarecrow tiggy, running and playing with the hockey stick.”

Alessio 1K
Dear Parents,

The Classroom Helpers Program begins on Monday 27th February for all year levels.

If you are interested in assisting in your child’s classroom, have a current "Working with Children Check" and have completed the ‘Classroom Helpers Program Training’ previously at this school (or from another school), please return the form below with available days/times to the school office before Friday 17th February.

If you would like to volunteer to assist in your child’s classroom but have not completed the ‘Classroom Helpers Program Training’ the training session will be run on Monday 20th February at 9am – 11am. This session will be run by Sarah Nightingale and Sandra McOrist, in the Science Room.

Thank you
Sarah Nightingale & Sandra McOrist

Chess Club – Term 1, 2017

Chess is one of the most powerful educational tools available to strengthen a child’s mind. Most 6-7 year olds can follow the basic rules and some children as young as 4 or 5 can play. Whatever a child’s age, chess can enhance concentration, patience, and perseverance, as well as develop creativity, intuition, and memory. Most importantly, children can develop the ability to analyse and deduce from a set of general principles, to make tough decisions and to solve problems flexibly.

The coaches: David Beaumont (Tuesday group) is an experienced chess teacher and one of Victoria’s leading chess players. Nick Speck (Friday group) is an experienced chess teacher and former Australian Chess Champion and Olympic Team Member.

The chess classes will take the children through a structured chess course with the dual aim of achieving the maximal educational benefits the game offers and providing an enjoyable learning environment. We would encourage the more experienced players to join the Tuesday Group and the less experienced ones to join the Friday Group if possible.

To enrol in chess please email info@chesseducation.com.au with the your details. The school office is no longer able to take any enrolments and please direct all enquiries regarding chess to Chess-Ed and not the school office. We will try to limit the number of children in each group to 20.

- **When:**
  - **Tuesday and Friday after school 3.30pm – 4.30pm**
  - There will be 7 classes on Tuesdays and 6 classes on Fridays in Term 1:
    - **Tuesdays:** 14/2, 21/2, 28/2, 7/3, 14/3, 21/3 and 28/3.
    - **Fridays:** 17/2, 24/2, 3/3, 10/3, 17/3 and 24/3.

- **Where:**
  - Both groups will be held in the Art Room

- **Cost:**
  - **Tuesday Group:** $63 (7 classes, $9 per class, includes GST) per child

I authorise the Department of Education and Training (DET) to use Centrelink Continuation Services to perform an enquiry of my Centrelink customer details and concession card status in order to enable the business to determine if I qualify for a concession, rebate or service. I also authorise the Australian Government Department of Human Services (DHHS) to provide the results of that enquiry to DET.

I understand that:

- DHS will use information I have provided to DET to confirm my eligibility for the Camps, Sports and Excursions Fund and will disclose to DET personal information including my name, address, payment and concessions card type and status.
- this consent, once signed, remains valid while my child is enrolled at a registered Victorian school unless I withdraw it by contacting the school.
- I can obtain proof of my circumstances/details from DHHS and provide it to DET so that my eligibility for the Camps, Sports and Excursions Fund can be determined.
- if I withdraw my consent or do not alternatively provide proof of my circumstances/details, I may not be eligible for the Camps, Sports and Excursions Fund provided by DET.
- information regarding my eligibility for the Camps, Sports and Excursions Fund may be disclosed to the Victorian Department of Health and Human Services and for State Schools Relief for the purpose of evaluating concession card services or confirming eligibility for assistance.

You are able to request access to the personal information that we hold about you, and to request that any errors be corrected, by contacting your child’s school.
