**Principal’s Report**
Lesley McCarthy

Welcome back to school for 2015 – the **Chinese Year of the Sheep** [Chinese New Year is 19th February].

Parents are reminded that the warning bell will ring at 8.45am. The second bell will at 8.50am when students should be in line for home room.

Miss Kate Tyson, the 2014 Prep Coordinator has taken a year of leave having accepted a late offer and scholarship to study for a Masters Degree in Early Childhood Education at the University of Sydney.

As a result, a recruitment process was implemented and I am pleased to welcome Ms Mairin Whelan to the Prep team. Miss Mollie McMahon will take over as Prep Team Leader.

On Monday our new Prep students commenced their school life. The 83 students include a number of siblings and they have all settled well. Thank you to HUB parents who supplied and organised the welcome morning tea for new parents in the hall.

The Prep team: Mollie McMahon, Gini Merange, Danielle Frost and Mairin Whelan have commenced the Early Years English and Maths interviews with students on Wednesdays.

Prep students commence full time school on **Tuesday March 10th**.

This year we have 477 students in 21 classes. There are 4 Prep classes, 4 Year 1 classes, 3 Year 2 classes, 2 year 3 classes, 2 year 4 classes and a year ¾ class; 1 year 5 class and 4 Year 5/6 classes.

Parents are reminded that all payments for Excursions, Educational Expenses, Mathletics, Reading Eggs, Digital Diaries and Bookpacks must be finalised by **13th February**.

All parents are strongly encouraged to register to receive the school newsletter by email and/or to register for the Konnective APP. We send regular alerts and information via these media and in conjunction with the newsletter are our primary whole school communication tools. They can be accessed via the school website. Office News
Office Hours, 8.30am – 4.00pm Monday to Friday

All visitors, including parents, need to sign into the school and collect & wear a badge when visiting the school at any time. This includes Classroom Helpers, incursions and excursions, PMP, swimming and Interschool sport.

Payments
When making payments at the office, please complete the details on a payment envelope and place in the cash box on the side wall at the office.
Please make sure you include your child’s name, grade and the reason for the payment. If paying in cash, we cannot guarantee that there will be change available if required. An audit requirement is that all monies are banked up at the end of each day. Hence, correct money would be appreciated.

New Uniform Items
We have arranged with our uniform supplier for white and navy blue hijabs to be available at a cost of $13.00. They will have ‘FPS’ embroidered on the bottom front left hand side.
As per requests from parents we also have extra length summer dresses, which cost $41 for sizes 4-14 and $43 for size 16, and also extra long shorts, which cost $22.
Please see the new uniform order form on the last pages of this newsletter.

Please note school uniform is compulsory. Students are not permitted to wear clothes which do not comply with our colours: navy, white and jade green.

Prep Information
Prep for Parents is a DEECD website specifically for parents whose child is at primary school.
There will also be links to further resources and online content to help you support your child's learning journey.

Parents are reminded that the Department does not provide personal accident insurance for students. Parents and guardians are responsible for paying the cost of medical treatment for injured students, including any transport costs.

OSHC Program
Camp Australia manages the Before & After School Care program. All bookings, absences and payments need to be made through the Camp Australia website.

Scholastic Book Club
Issue 1 order forms that were sent home recently are due back to the office by MONDAY 16th February by 9.00am
No late orders will be accepted
Please note, that orders sent before this date will now be sent to Scholastic as received (except cash which will be processed on the final day). The office will now process orders a couple times a week (for credit and cheque payments only) so the earlier the order, the earlier the children will get their book.

First Aid
Flemington Primary School has a well-equipped sick bay and 2 First Aid staff on duty each day. There are 4 Level 2 trained staff who are able to deal with more significant issues. Teachers on Yard Duty also carry small first aid kits to deal with minor cuts or scratches.

Students who suffer a more significant injury, bleeding or a bump to the head are immediately escorted to the sick bay. Students who have a head injury or severe bump are reviewed by the Business Manager or Principal prior to being sent back to class. Parents are also notified.
Assistant Principal’s Report
Sandra McOrist

Sun smart
Welcome back to the new school year, it’s that time of the year when all children need to be wearing a broad brimmed hat whenever they are outside.

No hat No play - We are a sun smart school.
I am thrilled to see that all children have hats and they are clearly labelled. If you do need to write your child’s name on their hat please ask for a permanent marker from the office to do so.

If any child comes to school without a hat they will be asked to spend their play and lunch times in the covered area outside the prep learning neighbourhood. They will also be asked to sit in the shade during sport time.

Drop off area at 8:30am
Each morning there is a teacher manning the drop off area at yellow bollard, where the hall begins at the lane way. The person will ensure that your child enters the school grounds safely.

Bollards
As in previous years there are 2 teachers down at the bollards each afternoon. This year it is either Agata and Chris or Agata and myself. We have had a great start so far with parents walking to school to collect their children or parking safely. We would hope that this continues.

Parents are reminded that there is NO PARENT PARKING and they are not to park in the staff parking zones. If parking in the disabled parks please ensure that you have a visible disabled permit as we do have a number of parents that need to use these daily.
Parking is available in the surrounding streets.

Before and After School Supervision
Teachers are on yard duty in the main court yard from 8:30-8:55am every morning. We encourage families to have their children at school at this time. Before school care is available if you need to bring your child earlier.

Teachers are on duty in the afternoon, one at the bollards at Flemington Street the other in the main court yard from 3:30-3:45pm. After school care is available if you need to collect your child later. If you are unable to collect your child after school for any reason please contact the school in order to make arrangements.

Pickups at the Flemington Street Bollards…..
On some afternoons this area is extremely busy. Please ensure you hold your child’s hand when crossing the road and walk with them.

Please do not double park and park in the allocated zones or you will be fined.

Rubbish
You may have seen my new signs around the bin cages, I have put these up on the advice of the council.
Over the holidays I had to come into school several times to actually bag up rubbish and tidy the cage area in order for the trucks to take it away. I had to arrange several extra rubbish collections due to the bins being filled while no one was actually here! The school has to pay for all rubbish collections and it is becoming quite costly to dispose of rubbish that is not actually ours.

A reminder to parents that if there is a witches hat in either of the first 2 parking bays after school it is not to save parking spaces but actually to provide space for the truck to be able to come in and collect the rubbish.

DEECD News

**Student Attendance**
New attendance procedures outlined in the *Education and Training Reform Act 2006* enable principals to refer students who reach five days of unexplained or unapproved absence to the Regional Director for further action. This may include infringement notices and fines.

All student absences are required to be verified by a written note from parents to the school. A medical certificate is also accepted.

Attendance data is reported to DET to meet legislative requirements which came into effect on 1 March 2014.

**Personal Goods Brought to School at Owner’s Risk**
Personal property is often brought to school by students, staff and visitors. This can include mobile phones, electronic games, calculators, toys, musical instruments, sporting equipment, and cars parked on school premises.

The Department of Education and Training does not hold insurance for personal property brought to schools and it has no capacity to pay for any loss or damage to such property.

Principals are requested to remind staff, students and parents/guardians of this at the beginning of this academic year. Staff and students should be discouraged from bringing any unnecessary or particularly valuable items to school.
**Curriculum News**

Flemington PS is participating in a DET eLearning program: *New Pedagogies and Deep Learning*. This is an international educational project facilitated by famed education researcher, Michael Fullan from Ontario which began in June 2014. **David Meyer** is leading this work in our school which integrates perfectly with our Challenge Based Learning approach in the Grades 4-6 iPad program.

As a result, we have renamed our thematic inquiry curriculum work to be **DEEP LEARNING** rather than Inquiry. This umbrella includes Humanities, History, Geography, Economics, Politics and also interlinks with ICT and eLearning, Technology and Personal Learning.

The focus of the **Deep Learning** program is to work on the key competencies for the 21st century:

- **Collaboration** – working together in teams
- **Communication** – selecting appropriate strategies and tools to explain their thinking
- **Creativity** – identify issues, frame questions, solve problems & present solutions
- **Critical Thinking** – make connections, analyse data, create knowledge
- **Character** – identify individual learning goals, take responsibility for own learning
- **Citizenship** – develop a sense of identity, understand real world challenges and the environment.

The first 2 weeks of school focus on **Learning to Learn**. This is when school values, behaviour expectations and classroom routines are discussed, agreed on and displayed.

Then students undertake **Deep Learning** focussed on:
- Prep – Civics & Citizenship: My Super Start to School.
- Grades 1-6 focus on **Design, Creativity & Technology**
- Grades 1 & 2 – Simple Machines
- Grades 3 & 4 – Puppets
- Grades 5 & 6 – Let’s Build

**Safer Internet Day.**

Safer Internet Day (SID) is organised by Insafe in February of each year to promote safer and more responsible use of online technology and mobile phones, especially among children and young people across the world.

**Safer Internet Day 2015** will be celebrated on **Tuesday 10 February 2015**, with the strapline of -

Let’s create a better internet together.

**Term 1 timetables**
Term 1 lessons commenced last Monday 2nd February. Term 1 timetables have been placed on the music noticeboard and on the school website. I have had to make a number of changes to timetables this week and will put the updated timetables on the school website tomorrow Friday 9th Feb. Please contact me ASAP if you notice any inaccuracies on the timetables or want to request any changes to your child’s lesson(s). I will not be making any more changes to Term 1 timetables after this week.

**Junior and Senior Strings, Band and Rock Band Ensembles**
Ensemble rehearsals will commence next week (week commencing Monday 12th February). The instrumental teachers will place students in an ensemble once they have reached the required skill level. Chris is auditioning students for the Junior and Senior Rock Bands this week.

If your child learns an instrument outside of school and you would like them to participate in one of the school’s ensembles, please contact Vern on his mobile.

The school ensembles rehearse at lunch times on the following days:

- **Junior Band** - Mondays
- **Senior Band** - Fridays
- **Junior Strings** - Tuesdays
- **Senior Strings** - Tuesdays
- **Junior Choir** - Tuesdays
- **Senior Choir** - Thurs.
- **Junior Rock Band** - Tuesdays
- **Senior Rock Band** - Wednesdays

**Junior and Senior Choir**
Junior and Senior choir rehearsals will commence next week. If your child would like to join one of the choirs, they can collect an information/permission note from Mr O’Hara or from the note holders in the music building corridor.

**Music Invoices**
Music invoices will be sent out later this term.

**Instrument labeling**
Could I ask you to ensure that your child’s instrument is clearly labeled with their name and grade on a tag attached to their instrument so we can easily locate lost/misplaced instruments and their owners. This includes instruments owned by the students as well as instruments hired from the school.

**New Theory class**
The new grade one theory class has been timetabled for Monday morning 8.15 to 8.45 am. If your child hasn’t enrolled in this class and you would like them to join, please text, call or email Vern ASAP. Theory classes are an excellent way to ensure students have a sound knowledge base to develop their musicality and prepare for exams. Theory classes are opened to students from grades 4 to 6 and cost $9.00 per lesson.

**Library News**
Vanessa Griffin

Parents, the following letter will be sent out to all families where the students have not returned library books. We had 200 books in total lost last year with only a handful of families paying the fine.

**PARENTS/GUARDIANS IMPORTANT NOTE**

**YOUR CHILD’S BORROWING HAS BEEN RESTRICTED**

In 2015 Flemington Primary School students who have an overdue book will unable to borrow any additional books from the school library. This policy will be trialed this year in an attempt to reduce the number of books lost from the library collection. Approximately 200 library books were lost in 2014.

On receipt of this notice you must either:
- Ensure the return of the listed overdue item/s, or,
- Purchase a new copy of the book and send it to the library, or,
- Pay $20 per lost item to the school office.

Please note if the book is not returned and the $20 lost book fee is not paid the replacement cost of the book will be automatically added to your child’s book list for 2016.

Thank you for your understanding and assistance in this matter. Please undertake one of the three options above as soon as possible so your child can borrow again.
Resilience

Resilience is a 21st Century parenting concept that every parent needs to understand. Some children are resilient by nature – their temperament helps them to be mentally and psychologically tough. You know those children. They get straight back up after a setback or disappointment. Rejection in the playground doesn’t faze them. Unfortunately, not every child has such natural resilience.

The good news is that most of the research shows that resilience can be nurtured and developed, particularly when parents themselves are resilient and they actively foster it in their children.

Resilient children share four basic skill sets: independence, problem-solving, optimism and social connection.

Building Resilience

Parents need to coach children through some of their more challenging moments and reviewing what they may have learned for next time. Avoid solving all their problems for them.

You can promote a lasting sense of resilience in your children by:

1. Having a positive attitude yourself.
   Your attitude as a parent impacts on their ability to bounce back from some of the difficulties they face. Make sure you model a ‘**you can do it**’ attitude for your child when he meets some of life’s curve balls.

2. Look for teachable moments.
   Many children’s learning opportunities are disguised as problems. Make the most of these opportunities so that children can grow and learn from some of the challenges they face.

3. Make children active participants in the family.
   Active participation in a family develops the self-help, problem-solving and independence skills of children that are necessary for resilience.

4. Build coping skills.
   There are plenty of strategies you can pass on to children to help them cope when life doesn’t go their way, including acceptance, getting away for a while, and normalisation.

Promoting resilience in children is not a single event but a continuous process that requires adults to be supportive and empathetic when things don’t go their way. It also requires you as a parent to have an understanding of resilience, so you have faith in yourself, and your child’s ability to cope.

Here at Flemington PS children in Prep-2 learn about **YOU CAN DO IT!** Confidence, Persistence, Organisation, Resilience and Getting along with others. We use the Catastrophe Scale to normalise concerns: you too can try this at home.

Firstly, a warm welcome back to school and to new parents at FPS!

Prep Parents Morning Tea

Thank you to the Grade 1 parents who put together a great morning tea this Monday to celebrate/commiserate with parents of our new preps. Thanks to those who contributed food and came along to meet and greet! A big thankyou to Annette Williams for coordinating the event.

New HUB Members Welcome!

The HUB is made up of a dedicated group of FPS parents and our role is to enhance our children’s experience at school; organise social events to foster & encourage community spirit; and raise funds for the school. New members are ALWAYS welcome! We meet once a month (but you’re not locked in to attending every meeting) or, if meetings don’t suit, you could simply advise us that you’d like to help out when you can…

ANY help is appreciated and, as all HUB members will attest, your kids will love seeing you help out at school! Please don’t hesitate to contact me if you’d like further information.
Help your kids manage their asthma

Checklist for Parents

- Does your child have an up to date Asthma Action Plan (Asthma Care Plan)?
  - The Asthma Care/Action Plan tells the school how to manage your child’s asthma and what to do if their asthma gets worse. This should be updated & signed by the doctor on an annual basis.

- Does your child carry their reliever puffier and spacer with them at all times? Or is it readily available to their Carers?
  - Medication needs to be available wherever your child may be (school, child care, sporting field, home).

- Are you and your child aware of their asthma triggers?
  - Do you take steps to avoid these triggers? Are the Teachers aware of these triggers?

- Do you listen to what your child says?
  - They will be aware of their asthma symptoms and should be able to tell you when they need their medication.

- Does your child take their asthma medication correctly?
  - Good technique allows more medication to get into the lungs where it is needed. Talk to your doctor or pharmacist if you would like to check your device technique.
