Parking on School Grounds
I would just like to remind parents that the parking bays next to the hall are for staff parking only. There are approximately 35 parking bays and there are at least 50+ staff trying to use these spaces. Staff arrive at school from 6:30 am onwards and it would be appreciated that there are parking spaces available.
At the end of the day it is also not appropriate for parents to park in the bays as we have staff arriving for the Aftercare Program.
All parents and visitors are asked to park in the surrounding streets and walk to the school.
Thank you

SchoolMate App
The Department of Education and Training has released an App which is designed to help you better understand the curriculum we use to teach your children every day.

The App, called SchoolMate, is available for free download now in the App Store for iPhones and iPads and in Google Play for Android phones and tablets.

SchoolMate gives you a general overview of the Victorian curriculum in each subject at each year level and:

- Provides you with an overview of what your children are learning in each subject at each year level according to the Victorian curriculum (AusVELS)
- Provides you with tips regarding activities and things you can do at home to help your kids in each subject and year level
- Suggests apps, books, events and activities related to each subject area and year level.

Our school, like all other government schools in Victoria, uses AusVELS as the basis for the learning programs we run at school every day.

Our teachers adapt the curriculum to meet the needs of our students and community, for example, designing learning programs around what your children are interested in, or around days or celebrations that are important to our community.

I encourage you to download SchoolMate and to please talk to our staff if you are interested to find out more about how our school teaches the curriculum.

Camps, Sports & Excursions Fund (CSEF)

Every Victorian child should have access to the world of learning opportunities that exist beyond the classroom. The Camps, Sports and Excursions Fund will ensure that no student will miss out on the opportunity to join their classmates for important, educational and fun activities.

School camps provide children with inspiring experiences in the great outdoors, excursions encourage a deeper understanding of how the world works and sports teach teamwork, discipline and leadership. All are part of a healthy curriculum.

CSEF will be provided by the Victorian Government to assist eligible families to cover the costs of school trips, camps and sporting activities.

If you hold a valid means-tested concession card or are a temporary foster parent, you may be eligible for CSEF. The allowance will be paid to the school to use towards expenses relating to camps, excursions, or sporting activities for the benefit of your child.

The annual CSEF amount per student will be:
- $125 for primary school students
- $225 for secondary school students
