Principal’s Report  
Lesley McCarthy

“Without continual growth and progress, such words as improvement, achievement and success have no meaning.” – Benjamin Franklin

This quote is timely given that we are close to the end of another term and students have demonstrated significant learning since the last report. At Flemington PS we are continuing to focus on the essentials of literacy and numeracy while broadening, extending and growing our students through other learning experiences such as our Specialist programs, incursions and excursions.

We are also researching and discussing alternative assessment and reporting procedures, our class, room and curriculum structures for 2015. With 80 Prep students already enrolled for next year we are closer to an enrolment ceiling of 500 students so it is therefore important that we know of any families leaving us at the end of the year. Could you please advise the office in writing before the end of term if you know this now?

Congratulations to the Literacy and Numeracy teams on their organisation of activities for NLNW. We were delighted to be recognised on the NLNW website for Simon Pampena’s visit and also at the funds raised through the Read-a-thon.

Congratulations also to the Inter Cultural Understanding team for their work on “Everyone has a story” initiative. Monday’s assembly will feature a Welcome to Country and an Aboriginal smoke ceremony as an introduction to the next series of stories. I am also very excited about the numbers of parents, students and staff who will share their stories next week.

This Saturday our students will perform in the State Schools Spectacular massed choir at HiSense Arena. Every year, a group of students works with Mr OHara to learn, improve and polish their performance and this year have been assisted by Mrs Mizis. It should be a wonderful event and I encourage parents to attend.

Student lateness continues to be a concern although much improved. Congratulations to Prep T and 1M who had no late passes this fortnight!

Division Athletics

The Flemington Primary athletics team had a nerve wracking start last Tuesday the 9th of September. The bus arrived not long before half past nine, and some students were set to compete in their events at that time, so there was nervous tension in the air. After a little confusion with directions, we were en route and arriving at Keilor Athletics track. The high jump and 800 metre runners raced off to their events, and luckily some were still able to compete. A few were distraught that their race had passed, however fortunately officials decided they could race with other age groups.

Not a moment later, other events were set to begin! Our team was well trained and had nothing to lose. A huge thank you to Brendan, other staff and parents for their help and support.

We rounded up the exciting day with two girls relay wins, talented long and triple jumpers and the amazing 100 and 200 metre sprints. All students performed extraordinarily and can’t wait for the next round.

Congratulations to Amy, Beth, Tamsin, Chloe, Shaid, Angelina, Olivia, Prue, Tom, Samira, Harriet and Sophia for making through.  By Maia A

A three-session program for parents and carers to help manage difficult behavior in children 2-12 years old is being held at Moonee Ponds Primary School, 87 Wilson Street, Moonee Ponds on Friday the 17th October, 24th October and 31st October 2014 at 9.30am-12pm.

Learn:
- How to discipline without arguing, yelling or smacking
- How to sort behaviour
- How to handle challenging and testing behaviours
- Choosing your strategy, the three choices
- Using emotion coaching to encourage good behaviour
- 7 tactics for encouraging good behaviour

Registration Fee?
The course is free to parents of children whom attend State Government schools in the Moonee Valley Network.
Register for this course by contacting Emelie Barringer, Melissa Di Pietro or Lynn Neill, psychologists (Student Support Services) on 9376 3876.

What people are saying?
What a relief to come across a program that preserves the dignity of the child, maintains the self control of both the parent and the child and is actually easy to remember when memory is the first thing to go!

I realized quickly that the 1-2-3 Magic can be a magnificent preventative measure that any parent can use to avoid raising a child who later down the line, needs excessive discipline or grows out of control.

Who’s running it?
Emelie Barringer (psychologist), Melissa Di Pietro (psychologist) and Lynn Neill (psychologist) have experience working in schools, providing services supporting children and their families.

Emelie, Melissa, and Lynn have completed the Parentshop® 1-2-3 Magic & Emotion Coaching training course.

Simon Pampena performs a mathematics show

Students at Flemington Primary School in Melbourne were treated to one of Simon Pampena’s famous maths shows on Friday 29th August. Simon shared his joy of maths and showed students that maths can be fun and enjoyable! During his visit Simon presented students in Years 3–6 with mathematical problems to solve together. Simon used humour to engage them in laughter while solving maths problems – the students enjoyed coming up with mathematical solutions together.

Students were dressed up as their favourite book character on the day and had a great time celebrating National Literacy and Numeracy Week with Simon.

We thank Flemington Primary School for celebrating numeracy and hosting Simon’s visit.

Read - a - thon

We recently held a School Read-A-Thon between 25th and 29th August as a major fundraising event this year.

The School Read-a-Thon was a great success; we raised $4,833.34 to go towards home readers. Holding fundraisers like the School Read-A-Thon promotes a stimulating, fun and literacy based environment that ensures we send the right message to our students about developing creativity and a healthy mind. It also helps us raise much-needed funds for literacy resources. The main focus of this event was on participation, so thank you to all of those students who got involved!

We had a great time, with the student body reading uninterrupted for a combined 2.5 hours, giving them all a chance to fall in love with reading!

Finally, we would like to thank all the students, parents, family members and teachers who contributed to making the program a success.

I have sent off the prize order form for those students who fundraised, and will hand them out as soon as I receive them!

Thank you all, I look forward to sharing the new home readers with everyone!

Everyone has a story

Everyone has a story is a week at Flemington Primary School on the 15th to the 18th of September. The stories can be about your culture or your family.

My family has come from Africa so they can talk about that (plus they like a little owemp cowmp!)

Art Show - 14th October
Flemington Primary was very fortunate to receive a grant from the Cass Foundation for Fiona Hiscock, artist and Flemington Primary parent, to work with students in grades 2 to 6 on creating drawings and ceramics. This week, teachers tried their hands at creating clay pinch pots with lids too.

Challenge Based Learning
On Friday the 5th of September, we had a Crazy Hair Day and also a “Guess how many lollies in the jar” competition. Everyone who participated had very crazy hair dos and looked very crazy! Amelie, Nasra, Ollie and I, did a very outstanding job in helping our group set up for this big event. At recess and lunchtime we were letting people guess how many lollies in the jar outside the hall. There were some very close guesses and some very far guesses. We would like to congratulate Sarah Boyce from 6P who was the closest to the numbers in the jar with a guess of 450. She was one off as the number was 451. Overall we raised $399.65 which was very outstanding because we were not expecting that much. Thank you to everyone who participated and well done on the good hairstyles!

As part of our ICU (Inter Cultural Understanding) project we are taking the opportunity to celebrate our cultural differences. We are asking parents or family members to come into our classroom to share a family story, tale or memory with our class.

The week is titled 'Everyone Has a Story'. The purpose of this celebration is to invite families into our school and support our learning and to celebrate our cultural differences.

To start off the week and to help celebrate the land on which our school sits, we have invited members of the Wurundjeri tribe to perform a Smoking/Cleansing Ceremony during assembly.

We look forward to hearing your story!
