Congratulations to everyone who has worked so very hard on preparing our students for another amazing School Concert. With a range of acts including The Magic Toy Box, Weather Windows, Grade 3-6 ensemble acts and the Cast #1 performance of The Lion, The Witch & The Walk In Robe both the matinee and the evening performance were outstanding. On behalf of our whole community I wish to thank everyone who has assisted in any way. See Page 3 for more.

As usual we will have many building and grounds projects being completed during the holidays, including inspections and maintenance to ensure the safety of students, staff and parents. If you are using the school grounds in the next two weeks, please be aware of safety issues.

1:1 iPad Program – I have had queries from some parents in Grade 2 about the 1:1 iPad program at Grade 3 next year. Our school’s eLearning Policy developed in 2011 included the implementation through to Prep by 2018. All documents are available on our school website.

I will be taking some Long Service Leave in October travelling to the US. While in Seattle, I will be attending the New Pedagogies for Deep Learning Lab with Professor Michael Fullan. This is an exciting opportunity to hear first hand, leading edge practices from more than 1000 schools in 10 countries that are fostering deep learning in a digital world. We are involved in this project. See more on Page 4.

Sandra McOrist is Acting Principal in my absence.

This is a private trip and not funded by DET or Flemington PS in any way.

Wishing you all a relaxing and enjoyable Spring break.

All parents are reminded that school finishes at 1.30pm tomorrow Friday 18th September for the September school holidays. Please make sure you collect your child on time.
**Uniform Price Increase**

We have recently been notified by our Uniform Supplier that after many years of maintaining their prices, regrettably some items require a price adjustment due to the falling Australian dollar. **The price rise will commence on Tuesday 1st September 2015 for the following items.**

1. Polo shirt short sleeve **now $26.00**
2. Polo shirt long sleeve **now $28.00**
3. Rugby Knit Shorts **now $22.00**
4. Windcheater fleece **now $32.00**
5. Bomber Jacket **now $43.00**

Parents please note that we have had quite a few children coming to the office requiring a change of clothing. Unfortunately we have limited items in the office and once we change the children we very rarely have the items returned. Therefore we are asking parents for donations of track pants and leggings (mostly in small sizes).

Prep and Grade 1 students should also have a spare change of clothing kept in their school bags, along with a plastic bag.

**OSHC Program**

Camp Australia manages the Before & After School Care program. All bookings, absences and payments need to be made through the Camp Australia website.

The holidays are upon us and as usual I want to remind families to use the school grounds and play equipment throughout this time. I would also like to remind everyone that if you do see or hear anything that is of a concern at the school feel free to contact the local police.

Have a safe and restful break.
Concert Update
Wow! What a fabulous 2015 concert yesterday. Prep students were just so confident and sang so well. Cast #1 of The Lion, the Witch & the Walk-in Robe were well rehearsed and performed their roles very well. All students displayed their talents and poise and thoroughly enjoyed both the matinee and evening shows.

Thanks to Phillip Smith for these early photos.

Thank you!!
Led by the Concert Team of Vern O’Hara, Lauren Aull, Zoe Lewis, Chris Mizis, Gini Merange, Kimberley Phair, Agata Puglia & Josh Velez, teachers, students, aides and the admin staff have done a magnificent job and are to be congratulated and thanked profusely. Special thanks to all teachers who gave up their time on Sundays for cast rehearsals.

Without the support of a large number of parents costumes would not have been as fabulous – special thanks to Helen Drew, Jane Duncan, Mary Koulbanis, Vicki Carr and Allison Bowyer, and all others who assisted, purchased, sewed or supplied items.

Thanks also to Karin, Ross & Davis Leopold for sets; Craig for lighting, Alice Blake & Fiona Hiscock for co-ordinating catering; Rose Iser for sets and props; Lachy MacLaren for lighting, Peter Hormann for filming; Abby Richardson for the Concert DVDs, Phillip Smith for photography, The HUB for catering and the BBQ and to all parents who supplied the delicious soups, snacks, cakes and goodies.
Curriculum News
This week, Education Minister James Merlino announced increased funding for schools as part of the Education State Initiatives. Flemington PS was granted equity funding of approx. $60,000 on top of our usual funding lines. For further details: www.education.vic.gov.au/about/educationstate/Pages/initiatives.aspx

New Pedagogies for Deep Learning
Teachers at Flemington Primary have been working to implement the New Pedagogies for Deep Learning Framework over the last 12 months. Led by David Meyer and supported by Sarah Nightingale, Warwick Knight and James Thomas, students have been learning in an innovative Challenge Based Learning curriculum to address a key education challenge: How can we mobilise and foster new pedagogies for deep learning in schools and leverage the power of digital technologies?

Our school was selected as just one of 79 schools in Victoria to participate in this International research project based on the work of Professor Michael Fullan of the University of Toronto. 1000 schools internationally are collaborating on refining and implementing a digital rich inquiry curriculum, better suited to the needs of our children in the future. If you are interested in learning more go to: http://npdl.global/ and www.education.vic.gov.au/school/teachers/support/Pages/deeplearning.aspx

Digital News
Flemington has received a new router from DET and Telstra technicians are managing the install and implementation. This device will increase our internet speed and the ability of teachers and students to download and upload media faster and without hiccups. This will be particularly noticeable in the main building and the portables where building materials hinder wireless transfer. When we return in Term 4, the speeds should have increased markedly. Thanks Danh
**SRC News:**
