ILLNESS
There are still many children being sent home on a daily basis due to illness. Many children are showing temperatures over 40 degrees and several children have been hospitalized. Please keep your children home if they are unwell – in this cold weather, it is difficult to keep children warm and comfortable when unwell, the sick bay is full every day.

Principal’s Report
Lesley McCarthy

Flemington PS is filled with excitement and energy again this week with the continued focus on National Literacy and Numeracy Week. The Big Book Swap yesterday was very successful, and today the students in Grades 3-6 have their opportunity to participate.

On Friday, our Book Character Parade at 2.30pm gives everyone a chance to dress up and show off their favourite character. I look forward to the production Mr. Catterson and his team have in store for us.

Of course that is not all that is happening. Our Chess Champions are still buzzing after last Friday’s outstandingly successful Interschool Chess Competition, a qualifying event for the Victorian State Chess Championships. Congratulations to every student who participated, this is a grueling and stressful activity as all children want to do so very well. Flemington PS finished FIRST with Anna T, David T and Jack D taking the top 3 places. Supported by Caoimhan, Angus C. and Thomas N. the team scored 30 points winning by 5 games. This is an amazing result and the best ever!

Concert practice is in full swing with Mr O’Hara and teachers conducting additional practice and rehearsals. Parents and teachers are working very hard on additional costumes and Anna Thomas the dance teacher has done a great job with dance routines. This is going to be another amazing event and if you haven’t booked your tickets, you are encouraged to do so immediately to avoid missing out.

Today, I joined an elite panel for a “Shark Tank” event with students in Grades 3/4. Following from their Challenge Based Learning investigations this term, students are presenting proposals to the panel on ways of improving life in the Moonee Valley community. Federal MP Adam Bandt, Moonee Valley Mayor Narelle Sharpe, Councillor Cam Nation, former Mayor Hedley Moffat and former Moonee Valley Councillor Rose Iser. I am so very impressed with the students and their investigations. Parents should be so proud of their children with their efforts, questions and ideas. Congratulations to all the teachers!

Planning has commenced for 2016. Would parents who are leaving the school in 2016 please advise us to enable grade structure and student placements to be completed. We still have some vacancies for 2016 so if you know of anyone not yet enrolled for Prep, or interested in enrolling in Grades 1-5, please ask them to contact us.

** SOCCER & FOOTBALL HAVE BEEN BANNED FOR THE REST OF TERM 3. PLEASE DO NOT BRING ANY BALLS TO SCHOOL.**

Woolworths Earn and Learn Program
1 Week to go!
The program runs from 15th July to 8th Sept. When you do your shop you will receive one sticker for every $10 spent.

When you receive a sticker place it on the card (available from the supermarket) and when the card is complete please submit it in the collection box located near the office. Should you need another sticker card please see the office. All completed cards must be sent to the office no later than close of business on Friday 11th September. Enjoy collecting.

Uniform Price Increase
We have recently been notified by our Uniform Supplier that after many years of maintaining their prices, regrettably some items require a price adjustment due to the falling Australian dollar. The price rise will commence on Tuesday 1st September 2015 for the following items.

1. Polo shirt short sleeve now $26.00
2. Polo shirt long sleeve now $28.00
3. Rugby Knit Shorts now $22.00
4. Windcheater fleece now $32.00
5. Bomber Jacket now $43.00

Parents please note that we have had quite a few children coming to the office requiring a change of clothing. Unfortunately we have limited items in the office and once we change the children we very rarely have the items returned. Therefore we are asking parents for donations of track pants and leggings (mostly in small sizes).

Prep and Grade 1 students should also have a spare change of clothing kept in their school bags, along with a plastic bag.

**Assistant Principal’s Report**

**Sandra McOrist**

*Riding bikes in the School grounds*

Just a reminder that all cyclists (students and parents) should be walking their bikes when in the school grounds, and only ride their bikes when outside the gates. This is because we have had a number of near misses along the footpath and at the gates. All people need to feel safe at all times.

**NO Dogs in the school.**

The school grounds are not for people to walk their dogs or have them play on the oval.

**Parking**

Please remember that if you are parking in the streets surrounding the school that you do so after reading the parking signs. The council inspectors were in Flemington Street yesterday booking people who had either overstayed the time allowed or had parked illegally. I can only remind families that parking fines are not the responsibility of the school.

**Parking Signs along Flemington Street**

- This sign is outside the school above the parking bays between the hours of 8-9am and 3-4pm you can only park there for 15 min only.
- This sign is directly outside the school it is for a quick 2 min pick up and you cannot leave the car (just like at the airport).
- This sign is above the first few bays on the school side of the finded. It is for Permit holders only. Not for parent pick up, unless you have a permit.
- These signs are directly outside the kinder it is 15 minute parking only between 7:9am and 4:6pm. You can park for 2 hours there outside these times.
- This sign is on Flemington Street opposite the school. During the hours between 9am-6pm you can park there for 1 hour.

**CURRICULUM NEWS**

**eLearning – James Thomas**

In preparation for the new DigiTech curriculum in 2016, we require your help to help turn our students into programmers of the future.

Next year, students in upper primary will begin learning computational thinking and will have the opportunity to explore app development. To support this programme we require donations of old Android smartphones. These devices will be used to run their finished app. If you have a phone you no longer need, please send it with its charger cable to the school office where a collection box will be placed.

**1:1 iPad Program**

As advised recently, Flemington PS will extend the 1:1 iPad program to Grade 3 in 2016. This is in line with our school eLearning Policy and follows a very successful year in Grade 4 this year.

Parents of children transiting into Grades 3 & 4 next year are asked to purchase an iPad for their child. This may be either an iPad mini or a full size iPad and needs to be of the current range. SIM cards are not required as iPads will be connected to the school’s safe Internet connection. This makes a wonderful Christmas or birthday present. Danh Ho our computer technician will assist students with set up and connection to the school WiFi system in February.

**Think U Know**

A Parent Cyber Safety information evening will be held early in Term 4 presented by the Australian Federal Police who have the lead role in e-Safety and children’s safety online. Together with the new Office of Children’s e-Safety Commissioner, they monitor and manage online issues. [www.thinkuknow.org.au/site/factsheets](http://www.thinkuknow.org.au/site/factsheets)

All parents of students in Grades 3-6 are required to participate and also to attend the combined parent/student information session in February.
Thank you to everyone who came and supported the Flemington P.S Book Fair last week.

The total for the 4 days was an amazing $4098. We have met our target and earn a massive $819.60 for our school. The money will be put into more books and special book boxes.

Thank you to everyone who helped through the week, we couldn’t have done this without you!

Thanks to the CASS Foundation we have had another great year of ceramics with Fiona Hiscock. The project will culminate in term four with a celebration of our student’s clay forms at the Flemington Ceramic Show.

The OPENING will be on the 19th of October and will run until the 21st. PLEASE add one of these days to your calendar as what has been achieved is fantastic!

We Want Your Input!

You may be approached, before school, next week to conduct a survey for the grade 5/6 students about your thoughts and knowledge of homelessness. We are working hard to raise awareness about this important issue.

Thanks Tiffany and Sara

RECUMBENT BIKE

Please note that our Recumbent Trike team have begun their riding training each morning and afternoon on the running track. Families are advised to take extra care whilst dropping off and picking up their children and avoid using the running track at all costs.

Thank you for your assistance.

Riding practice has commenced and the timetable is shown below. If students are unable to attend for any reason, they must inform Fiona on the day before.

As part of National Literacy and Numeracy week, Flemington Primary has participated in the Great Flemington Book Swap. Thank you to all the parents and staff who generously donated books for our students. The Prep—Grade 2 students were lucky enough to each pick a book to take home last night.

This afternoon it is the Grades 3—6 students’ turn to participate in the Great Flemington Book Swap and we look forward to another successful evening.

Can parents please collect their children from outside the library when they have chosen their book. We ask that parents stay outside as the library will be very busy.
