Principal’s Report
Lesley McCarthy

Congratulations to all teachers and children for their efforts in dressing up as their favourite book character last Friday. There were some amazing outfits amongst students and teachers. Students have also experienced a variety of engaging activities and literacy and numeracy focused items during the week.

The highlight for students in grades 3-6 was surely the mathematical comedian, Simon Pampena who performed for us in the hall. Simon’s unusual interpretation of number, his fantastic memory and his love of π had the audience enthralled.

Thank you Simon, and the Australian Government Department of Education for this opportunity.

The new school beans and scarves are here and ready for those lucky 30 students who have ordered them. We only ordered a small quantity not knowing the demand. First come first in and the office now. $10 each. Another initiative of the Student Representative Council.

Don’t forget to bring some money and a plastic bag so you can visit the Fathers Day Stall tomorrow.

Wishing all fathers and grandfathers in our school community a very Happy Fathers Day for this Sunday. We hope you enjoy your gifts.

Park Safely in our Neighbouring Streets and Walk to School ~ it only takes 5 minutes and it’s good for you!

All prep School Nurse forms are to be back to school tomorrow Friday 5th September any concerns please contact your class teacher

Office News
Office Hours, 8.30am – 4.00pm Monday to Friday

Last Call School Photos – Tuesday 9th September
If your child did not have a portrait/family photo taken on our recent photo day Tuesday 16th August we have scheduled a **final date** for photos to be taken on Tuesday 9th September between 8.30am and 9.00am in our Hall Foyer. NO PHOTOS WILL BE TAKEN AFTER SCHOOL COMMENCES. Please ask for child to go directly to this point on the day and have their photo taken. Please ensure that your child is in full school uniform. If you have not already paid for a portrait/family photo you can collect a payment envelope from the office and hand this to the photographer on the day.

A Reminder to Prep parents that the students will start swimming on the first Friday in Term 4, 10th October. Please make sure all medical forms are brought back before Friday otherwise they will not be allowed to swim.

Parents and students are reminded that Flemington PS has a compulsory school uniform. Students are not permitted to wear any colours other than Navy, white or emerald green and are expected to wear our school uniform.

NOTE TO PARENTS
Can parents please ensure that they can be contacted by mobile and that contact details are up to date. Lately many calls made by the school go unanswered, the number on record is incorrect and also a message can not be left.
Thankyou
Assistant Principal's Report
Sandra McOrist

Working Bee

This will be our first Working Bee of 2014 all families are welcome to attend. I am so excited. The Facilities Committee appreciate your assistance in the continued upkeep of our school grounds.

SUNDAY 14th September 9 a.m.-12 noon (pencil it into your diaries today)

Most of our tasks involve giving the school and grounds a little extra attention. Of course, we always embrace skilled tradespeople. We have a list of jobs:

- Clear the walkway guttering (need a ladder Licence)
- General pruning and weeding
- Clear the drains
- Clean drinking troughs
- Placing of tanbark around the garden beds (Gloves required I have masks available)
- Rake soft fall around equipment in amphi and main playground
- General rubbish collection from around the school
- Cleaning out the big green shed and room 20 rubbish will be going into the skip

Please note that if you have goggles, gardening gloves please bring them. Any equipment you bring needs to be labelled. Thank you and see you on Sunday.

Any other ideas come and chat to Jutta, Robbie or myself. Thank you so much.

Sandra

Curriculum

Celebrating Differences and Similarities at FPS

The diverse population of FPS includes many fascinating family histories. During the last week of term three, school families and friends are invited to join us throughout that week to share their backgrounds by telling their own stories. Or by joining your child/children in their classroom for shared reading will also provide an opportunity for sharing stories about school, interests and celebrations.

Looking forward to seeing you during week 10 for celebrations of ‘Our Living History’ at FPS.

From September, five things to remember.

Please remind children to...

1. **Slip** on clothing that covers their skin.
2. **Slop** on SPF 30 or higher broad spectrum sunscreen before going outside. Please ask them to remember to pack their sunscreen each day and get a buddy to help them reapply.
3. **Slap** on a hat that shades their head, face, eyes, ears and neck. Encourage them to remember their school hat each day so they can play outside the sun safe way.
4. **Seek** shady spots in the playground.
5. **Slide** on sunglasses labelled AS 1067.

Reconciliation Australia has announced a long-term partnership on the Narragunnawali: Reconciliation in Schools program with BHP Billiton Sustainable Communities. The program assists schools to increase knowledge and pride in Aboriginal and Torres Strait Islander histories and cultures, and to strengthen relationships with their local Indigenous communities.

The cornerstone of the Narragunnawali: Reconciliation in Schools program is the online schools Reconciliation Action Plan (RAP) builder. The builder helps schools to develop a RAP—a framework for action that drives important change in the classroom, around the school and with the community, based on the simple model of relationships, respect and opportunities.

The first phase of the Narragunnawali program will see the development of a teacher professional learning network and a range of curriculum resources produced specifically to address the Australian Curriculum, including a series of short films.

The Narragunnawali program builds on a long, successful partnership between Reconciliation Australia and BHP Billiton that began with the Indigenous Governance Awards in 2005.

Over the next two years the Narragunnawali program aims to reach more than 200 Australian schools and their communities. Narragunnawali is a word from the language of the Ngunnawal people, meaning alive, well-being, coming together and peace. Reconciliation Australia sought permission from the United Ngunnawal Elders Council to use the word Narragunnawali.
Through the Eyes of 3/4D

The moon is a giant pancake in a pan, bubbling craters up from the crust
Sitting there like a giant grey bomb, waiting to explode
While the moon craters are really just soccer pitches created by giant cats
Or perhaps they are actually homes that people live in?
The stars are little rips in the vast blue blanket that covers the Earth
But some think they are aliens travelling through space
Or maybe they are planets that no one has ever known of?
Meanwhile, the Milky Way is actually blobs of milk spilled by a child
And black holes are formed when the space worm eats a hole through time and space

The sun is bright like flashing lightening
A giant stove, flaming in the sky
Splashed there like a big drop of orange paint mixed with red
While others see a giant ball of cheese, melted into fiery gases

The clouds are fluffy like sheep that move around at night
However, the sky doesn’t like too many clouds because they cover its beautiful blue
The air is invisible to humans, but hangs there like silence
While rain is people crying in the sky

The sea is a mirror of the sky
A playground for slippery fish
It hates it when it is drawn as spaghetti
And when it gets tickled by the sea weed
The waves are caused by a giant octopus kicking its eight legs
And tsunamis happen when the sea has an argument

When we take a step back and think about Earth we see
The world as an apple with humans eating their way to its core

This poem was written by all students, working in small groups to each write a line or stanza. Then the whole class negotiated and agreed on the order and phrasing. Congratulations to Mrs Dunne and students.

Art News
Karen Leopold
Silk Cut Awards - Opening of the Exhibition
The Opening of this prestigious print making exhibition is on Friday 5th September from 6-8 pm. I am hoping to see a few proud faces at the opening!
The exhibition is at Glen Eira Gallery (at Caulfield Town Hall) on the corner of Glen Eira and Hawthorn Roads.
The exhibition is on until the 21st September. It is open Monday-Friday 10-5pm and Saturday-Sunday 1-5pm. It is definitely worth visiting!

ART SHOW 14th OCTOBER
Flemington Primary was very fortunate to receive a grant from the Cass Foundation. This has allowed for Fiona Hiscock, artist and Flemington Primary parent, to work with students in grades 2 to 6 on creating drawings and ceramics. The students have been enthusiastically drawing plants and making wonderful ceramic vessels on the theme of sustainability.
In addition Karen has been working with prep and grade ones on a related program to ensure that all students will have work to display in an art exhibition in the school hall on in term 4 on October 14.
This will be an important celebration of the program and a great opportunity to see your children’s work as well as catch up with other parents. The hub will provide refreshments so mark the date in your diaries for term four.
Thank-you to all parents, students and staff for making nLNW such a success. We had a great week. Here are some of our highlights:

LITERACY

- Everyone enjoying Aaron Blabey’s picture book ‘Sunday Chutney’ for Read Australia. Each child read the story and completed various activities, such as writing Sunday’s diary, interviewing Sunday, and some were found dressing up as Sunday! Well-done Michelle!

- Students completed their first ever read-a-thon. It was wonderful to see such enthusiasm and engagement during the 30 minutes of uninterrupted reading each day. I think the teachers enjoyed this too! Money raised is due back to teachers by FRIDAY 5th Sept. Please ensure you include which prize you would like!

- On the last day of NLNW we went out with a BANG and it was great to see so many students and teachers dressed as their favorite book character. Well done to the amazing parents who pulled together some outstanding costumes!
FPS Bicycle Recycle – Fix-up Friday is on Again TOMORROW

With the help of parents and students we have fixed another 7 bikes in the last week. If you’ve been waiting for a bike over the last months it’s quite likely we now have something available. We also have an excess of smaller bikes for 3 to 4 year olds looking for a new home. To arrange collection, please contact me by email, the phone number below or visit the bike shed after school on Fridays.

Thank you to all those involved and for your continued donations which are now coming from far afield given the recent positive publicity in the local and national media.

We are still have an outstanding list of bikes required – especially larger sizes suitable for kids in grades 4, 5 and 6. Also, the Redcross still has an ongoing 6 month backlog of bikes required for refugees. If you can help, please bring your bike donations of any size in on Friday before or after-school (at the bike shed near the music room). Financial contributions to pay for spare parts and accessories (eg. helmets and locks) are also appreciated.

This Friday’s weather is going to be fine and sunny and perfect for being outdoors fixing bikes. If you can spare some time after school all interested parents and students are invited to join in. There’s no need for any specific skills just a willingness to give things a go and get your hands a little dirty.

IS YOUR BIKE BROKEN: If your bike needs repair (eg. tyre repairs & inflation, brake adjustment and gear tuning) please drop it in before school and for a small donation and cost of any necessary parts we’ll get the bike back in order – helping you to help yourself will be encouraged.

Thank you. Peter Hormann, mob: 0408 773 837, peter.hormann@bigpond.com

for 3 to 4 year olds looking for

WILL YOUR CHILD OR CHILDREN BE AT FLEMINGTON PS IN 2015?

If you know your child / children will not be returning to Flemington PS in 2015 or If they will be only here for a short time e.g. you could be moving in Term 1, please fill in below if you have not already informed the school.

Fathers Day Stall - Friday 5th September 2014

A reminder that the Fathers Day Stall will be held tomorrow, Friday 5th September. The Stall starts at 9am and children will be accompanied by their teacher to the Hall Foyer where they can buy a great gift for Dad or a special man in their lives. Prices range from $2 to $10 and exact change or smaller ($5 or $10) cash notes are preferred. It would be helpful if children bring their own plastic bag to hide their treats from Dad!

For those who are helping on the day or are making/baking goodies, set-up is from 8:30am. For any queries, please contact Lara Widdop (laradw@hotmail.com).

Special Lunch Day - Thursday 18th September

As a special treat for kids, a Hot Dog special lunch day will be held on Thursday 18th September. Blue order forms were sent home with each child this week and must be returned no later than Thursday 11 September (no late orders will be accepted). Thanks to Helen Drew for coordinating this.

Icepops and popcorn will be on sale after school on Friday at the canteen to raise money for the school magazine. $1 each.

OSHC News

Camp Australia manages the Before & After School Care program. All bookings, absences and payments need to be made through the Camp Australia website.

Do not leave messages on the school answering machine.

Customer Service 8.00am - 6.00pm Monday to Friday

HEALTHY HEARING IMPROVES LEARNING

A child with a hearing loss means that he or she has lost some hearing in one or both ears. This could range from a mild hearing loss to a profound hearing loss. Any degree of hearing loss can impact on speech and learning development.

There are many causes of hearing loss in children but one of the most common is middle ear infections.

Observations that may indicate the possibility of a hearing loss are:
- Inattention, day dreaming or behaviour concerns
- Talk loudly or have television up loud
- Concerns regarding progress with school work
- Difficulty with speech articulation
- Frequent need for repetition
- Mistakes carrying out simple instructions
- Turning of head to one side when listening
- Lip reading

If you have any concerns regarding your child’s speech or hearing please seek assistance from your local doctor or an audiologist. This does not require a referral letter and most of the cost is covered by Medicare. These health professionals can refer you to an Ear, Nose and Throat specialist if required.

HEALTHY VISION IMPROVES LEARNING

The Optometry Association recommends that children have their eyes checked by a vision health professional (optometrist or ophthalmologist) prior to starting school and every two years after that or as advised by the vision health professional. Vision assessments by an optometrist do not require a referral letter and in most cases are covered by Medicare. Optometrists are located in all areas. A list of optometrists, including those that speak other languages can be found on www.vicoptom.asn.au.

If you wish to see an ophthalmologist a referral can be organised through an optometrist or local doctor. Reasons why children should be seen by a vision health professional are children may:
- not be aware that there is a problem with their vision and rarely complain of vision problems
- not always show or have symptoms of vision problems
- have a weakness in one eye which may not be obvious.

If parents have a history of a vision problem as a child or are now wearing glasses, there is an increased likelihood that their children will have a vision problem.

Some facts about vision issues being present and not treated:
- It may lead to severe vision loss

KEEPING TEETH HEALTHY

Dental problems, such as dental decay and caries are largely preventable. However, many young children suffer pain from and complications associated with dental decay. Healthy Primary or baby teeth are important as they:
- Are part of a child’s general health and well being
- Assist in the development of a child’s eating ability and speech patterns
- Are a guide to positioning of permanent teeth
- Impact on a child’s physical appearance and self esteem.

Dental Health Services Victoria advises that dental checks start with toddlers and then dental reviews should be on a regular basis as advised by the dental professional. If there is a problem, there should be no delay in seeking treatment to prevent the onset of pain and complications.

Dental professionals are either private dentists or dental therapists at the School Dental Service.

The location of the School Dental Service in your area is:
School Dental Service
2 Geelong Road
Footscray 3011
Phone: 8398 4100

This service is free for parents who have a valid health care card.
